PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN

Do not breathe spray mist. Keep product away from fire, open flame, lighted electric bulbs and other sources of heat. Do not allow water to be introduced to contents of this container. May cause skin and eye irritation. Do not get on skin or in eyes. Wear chemically resistant gloves when handling.

FIRST AID

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

TOXICOLOGICAL INFORMATION

This product contains materials that may cause severe pneumonitis if aspirated. If ingestion has occurred less than 2 hours earlier, carry out careful gastric lavage. Treat symptomatically. Treat symptomatically for skin and eye irritation. Danger this product contains petroleum distillate.

STORAGE

Store away from food and feed and all sources of heat. Keep container closed. Do not allow water to be introduced to the contents of this container.

SPILL CLEANUP

1. Spread a suitable absorbent such as clay or other absorbent on the liquid.
2. Place sweepings in an open drum.
3. Generously cover the contaminated area with a common household detergent. Using a stiff brush, work the detergent into the spill material using sufficient water to form a slurry. Brush the slurry into cracks and crevices, and allow to stand for 2 to 3 minutes.
4. Spread a suitable absorbent such as clay or other absorbent on the slurried liquid, and shovel the absorbed material into an open drum.
5. Repeat if necessary.
6. Flush area with water, while observing proper environmental precautions.
7. Seal drum and dispose of contaminated material in accordance with municipal or provincial recommendations. See DISPOSAL section.

DECONTAMINATION AND DISPOSAL

For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for cleanup of spills.

Recyclable Containers:

Do not reuse this container for any purpose. This is a recyclable container, and is to be disposed of at a container collection site. Contact your local distributor/dealer or municipality for the location of the nearest collection site. Before taking the container to the collection site:

1. Triple- or pressure-rinse the empty container. Add the rinsings to the spray mixture in the tank.
2. Make the empty, rinsed container unsuitable for further use.

If there is no container collection site in your area, dispose of the container in accordance with provincial requirements.

Refillable Containers

For disposal, this container may be returned to the point of purchase (distributor/dealer). It must be refilled by the distributor/dealer with the same product. Do not reuse this container for any other purpose.

PRODUCT INFORMATION

Turbocharge D Adjuvant is an emulsifiable oil product. It is designed for use as a spray tank adjuvant for use with Liquid Achieve SC Herbicide or Achieve Liquid Herbicide on wheat and barley for postemergent control of grasses in broadleaf crops.

DIRECTIONS FOR USE

Turbocharge D Adjuvant must always be used with Liquid Achieve SC Herbicide or Achieve Liquid Herbicide. Use as a 0.5% v/v adjuvant (0.5 L Turbocharge D Adjuvant per 100 L of spray mixture). Refer to the Liquid Achieve SC Herbicide or Achieve Liquid Herbicide labels for further details on rate of use and mixing instructions.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
