NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.

DIRECTIONS FOR USE:

- SHAKE WELL BEFORE USING.
- Hold can upright at least 120 cm from all objects and aim nozzle away from person. Press button firmly to spray.
- To enhance effectiveness of this product, apply directly to the listed pests where possible. **DO NOT** exceed 3.8 seconds per m². Treatment must only be repeated after 7 days if pest problem persists or reoccurs.

First Aid:

If swallowed: Call a poison control centre or doctor immediately for treatment advice. DO NOT induce vomiting unless told to do so by a poison control centre or doctor. DO NOT give any liquid to the person. DO NOT give anything by mouth to an unconscious person. **If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. **If on skin or clothing:** Take off contaminated clothing, Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. **If in eyes:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

TOXICOLOGICAL INFORMATION: This product contains petroleum distillates. Vomiting may cause aspiration pneumonia. Treat symptomatically.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN, Contents under pressure. DO NOT place in hot water or near radiators, stoves or other sources of heat, or store at temperatures over 50 °C. Cover fishbowls when spraying rooms. Avoid contact with skin, eyes, and clothing. Avoid inhalation of spray. Wash after using. Keep from freezing. **DO NOT USE ON** Maidenhair ferns.

FOR USE ON INDOOR ORNAMENTAL HOUSEPLANTS

To kill Aphids, Two spotted spider mites, Thrips, Leafhoppers, Adult whiteflies **on the following houseplants:** African violets, Chrysanthemums, Ivy, Begonias, Geraniums, Marigold: **DO NOT** apply to houseplants grown for food or feed (e.g., herbs). **DO NOT** use on greenhouse plants. When listed pests first appear, spray to thoroughly cover all foliage, including upper and lower leaf surfaces until damp. **DO NOT** wet plants to the point of runoff or drip. When spraying, hold can 30-45 cm from plants to avoid wetting the foliage. **DO NOT** exceed 3.8 seconds per m². Treatment must only be repeated after 7 days if pest problem persists or reoccurs. Use with caution on new growth and on tender young plants and foliage. Test on one or two leaves to determine safety.

STORAGE: Store this product away from food or feed.

DISPOSAL: **DO NOT** reuse the empty containers. Dispose in household garbage. Unused or partially used products should be disposed at provincially or municipally designated hazardous waste disposal sites.
