DIRECTIONS FOR USE

To be used only in the manufacture of a pesticide which is registered under the *PEST CONTROL PRODUCTS ACT*.

PRECAUTIONS

KEEP OUT OF THE REACH OF CHILDREN. PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Strictly observe all precautions for handling and using pesticides. Avoid contact with skin, eyes and clothing. Avoid inhalation of dust. Do not eat, drink or smoke while working. Do not contaminate food, feed or water supplies.

-Protective Equipment:

Heavy duty cotton or synthetic fabric working clothes (e.g. coveralls). Rubber apron. Heavy-duty shoes or boots. Chemical resistant gloves. Goggles or face-shield. In case of heavy exposure wear: Dust mask.

-During Work:

After contamination **IMMEDIATELY** wash skin with soap and water. Clean soiled clothing. Change contaminated clothing.

-After Work:

Wash thoroughly (shower or bath, wash hair). Change clothing. Thoroughly clean protective gear. Thoroughly clean contaminated equipment with soap or soda solution.

FIRST AID

Remove affected person from danger zone to a well-ventilated room, or to fresh air and keep warm.

IN CASE OF POISONING, contact a physician or a poison control centre **IMMEDIATELY** for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

No specific antidote is available. Apply symptomatic therapy.
