**DIRECTIONS FOR USE:** Repeat treatment on a weekly schedule until insects have disappeared. Insects must be contacted to be killed. This product is ready to use. DO NOT dilute with water.

**SURFACE SPRAYING:** Adjust nozzle to deliver the coarse spray pattern to control **ants, bed bugs, clover mites, cockroaches, crickets, silverfish, and spiders**. Spray into hiding places of these insects such as cracks and crevices, also behind stoves, refrigerators, around drainpipes and garbage cans. **Ants and Clover Mites:** Spray where they enter the home. **Silverfish:** spray bookshelves and stored paper. **Carpet beetles:** Spray edges of carpeting, under rugs and along baseboards. **Clothes Moths:** Clothing should be aired for several hours. Spray thoroughly in empty chests and drawers. After airing, the clothing should be sprayed lightly holding sprayer 1 m from fabric to avoid staining. **Bed bugs:** Spray mattress, particularly around seams and tufts. Take bed apart and spray all joints. Repeat as required. Ensure proper ventilation after sealed areas have been treated and clean up dead insects.

**SPACE SPRAYING:** Adjust nozzle to deliver the mist spray pattern to control **flies, flying moths, gnats, hornets, mosquitoes, and wasps**. Close doors and windows, adjusting nozzle to deliver a fine spray. Spray upwards in the air, directing spray into the corners of the room. Work backwards toward exit. Keep room closed for 15 minutes, then ventilate. Keep spray at least 1 m from interior walls, fabrics and furniture.

**PRECAUTIONS:** KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Avoid breathing spray mist. Avoid contact with skin, eyes and clothing. Wash after use. In homes or dwellings, remove or cover all exposed foods and cooking utensils before spraying. This product is toxic to fish. Cover or remove aquaria and remove pets for 1 hour. Keep from freezing.

**FIRST AID:** **If in eyes,** hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **If on skin or clothing,** take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. **If swallowed,** call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. **If inhaled,** move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.

**DISPOSAL:** Do not reuse empty container. Discard empty container with household garbage.

For additional product information or in case of emergency, spills or fire, call toll-free 1-800-268-2806.
