## Secondary Panel

### **DIRECTIONS FOR USE:**

- A. Use connectors to assemble rods.
- B. Push pole into stable ground. TEST TO ENSURE THAT POLE DOES NOT TIP EASILY.
- C. Locate lock tabs on unit base, press to release and lower frame.
- D. Remove enclosed contents. Firmly press candle cup onto base post.
- E. Light Candle.
- F. Remove OFF!® PowerPad™ from package being careful not to cut, bend or alter pad shape. Insert OFF!® PowerPad™ into middle slot on top. Pad is designed to taste bitter to help prevent ingestion.
- G. Raise frame base and snap in place.
- H. Move lantern only when cool and not in use. When finished using, carefully remove frame base and blow out candle. Pad is designed to last as long as candle.

**To Replace Pad/Candle Combination:** The OFF!® PowerPad™ is designed to release insecticide when heated by candle. When candle is used up after approximately 4 hours, replace both candle and pad at the same time.

- Remove lantern top from base.
  - Make sure flame is extinguished and lantern is cool before changing pad.
  - Remove used pad from top of lantern. Remove a new OFF!® PowerPad™ from package being careful not to cut, bend or alter pad shape. Gently slide narrow end of pad into slot in top of lantern and slide in new pad. Pad is designed to taste bitter to prevent ingestion.
  - **IMPORTANT:** Remove used candle cup and firmly press new candle cup with fresh candle onto base post. To avoid fire hazard, use only OFF!® Candles in lantern.
  - Light candle. Raise frame base and snap into place.
- NOTE: Place lantern on a level, stable area. Be careful when moving lit lantern. Wax may spill. When finished using, carefully remove unit and blow out flame. Avoid contamination with food.

### **Keep Level**

To avoid fire hazard do not place pads, matches or other foreign matter on or in candle cup.

**PRECAUTIONS:** KEEP OUT OF REACH OF CHILDREN. Harmful or fatal if swallowed or inhaled. Do not ingest and avoid breathing vapours. Wash hands thoroughly with soap and water after handling pad. Do not use indoors, in a tent or enclosed area. Do not touch the vented top while in use it will be hot. Place on level, stable surfaces. This pesticide is highly toxic to fish. Do not apply directly to water. Drift from treated areas may be hazardous to organisms in adjacent aquatic sites. Do not use anything other than OFF!® PowerPad™ Refills in the unit. Pads may cause staining – avoid contact with other surfaces. S. C. Johnson & Son, Ltd. will not be held responsible for damage, injury or poor performance caused by use of other insecticide pads or candles. NEVER LEAVE CANDLE UNATTENDED.

**FIRST AID: If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Do NOT induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person. **If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.

PADS ARE DESIGNED TO RELEASE INSECTICIDE WHEN HEATED BY CANDLE.  
REFILLS AVAILABLE

Helpful Hints

- Do not use anything other than OFF!® PowerPad™ Refills with this lantern.
- Don't forget to purchase OFF!® PowerPad™ Refills.
- For maximum protection, place product upwind no further than 4.5 m away. For larger areas use two or more OFF!® PowerPad™ Mosquito Lanterns (Reg. No. 28755).
- Protection is not immediate. Allow time for candle to heat the OFF!® PowerPad™. High humidity may increase time before insecticide is released.
- To clear mosquitoes from under table, place underneath table for a few minutes.

**CLEANING INSTRUCTIONS:** Before cleaning lantern, extinguish flame and let lantern cool.  
Wash with a wet cloth only.

**NOTE:** To avoid damaging product, be careful not to move or bend metal bar inside of lantern when cleaning.

**STORAGE:** When not in use, store lantern and unused pads in a cool, dry, place inaccessible to children and pets. Prolonged storage of pads in outdoor conditions may decrease effectiveness.

**DISPOSAL:** Securely wrap used pad and empty wrapper in newspaper and dispose with household garbage.

Contains Bitrex

Bitrex is a trademark of Macfarlan Smith, Ltd.

PAD IS DESIGNED TO TASTE BITTER TO HELP PREVENT INGESTION.

BE SURE TO WASH HANDS AFTER HANDLING.
