## **SIDE 2**

### **[Alpha Logo Element]**

#### **Mega-Catch™ ALPHA Mosquito Trap**

The Mega-Catch ALPHA mosquito Trap is designed to be used with Mega-Catch Octenol Fragrance Strips (not included) which attract certain types of mosquitoes.

The Mega-Catch™ ALPHA Mosquito Trap - constructed from resilient and weatherproof polypropylene, features the most recent advances including our patent pending multi-frequency digital pulse lighting system, high output variable heated surface, long life fan, easy fit catch bag and 12-volt UL approved transformer.

The Mega-Catch™ ALPHA Mosquito Trap can be located unobtrusively on a deck or patio or in the backyard.

Mega-Catch™ ALPHA Mosquito Trap comes fully assembled – simply install, connect power, switch on and let Mega-Catch™ ALPHA Mosquito Trap go to work.

#### **Installation of Mega-Catch™ ALPHA Mosquito Trap**

Place your Mega-Catch™ ALPHA Mosquito Trap on a flat surface approximately 0.75 - 1metre (2 to 3') above floor or ground level.

Alternatively, install a metal ring (key-ring loop) through the hole on the lid, and hang or suspend the trap so it is approximately 0.75 - 1metre (2' to 3') above floor or ground level.

Then, plug into main power supply.

#### **Mega-Catch™Alpha Mosquito Trap One Year Limited Warranty**

Mega-Catch™ Traps are subject to a limited one year warranty against defects in materials and workmanship. In such cases the manufacturer will repair the product or part, or furnish a reasonably similar replacement product or part that is either new or factory refurbished. See enclosed warranty details.
