**SCOTT'S® ECOSENSE® ANT B GON®  
INDOOR PEST SPRAY**

Ready-to-Use  
INSECTICIDE

*Care Today, Benefit Tomorrow™ [ECOSENSE ICON]*

FOR INDOOR USE ONLY. NOT FOR USE ON PLANTS.

**PESTS/SITES:**

Scotts® EcoSense® Ant B Gon® Indoor Pest Spray will provide residual control of ants, cockroaches, houseflies, pillbugs, spiders and sowbugs for up to 14 days on non-porous surfaces (e.g., vinyl flooring). Duration of residual control may decrease when exposed to sunlight. Caution: some floors may be slippery after spraying. For ant control, apply directly to ants, their nests and trails, and wherever ants enter the house.

Scotts® EcoSense® Ant B Gon® Indoor Pest Spray will also provide control of yellow mealworms, earwigs, and yellow jacket wasps when applied directly to these pests.

Scotts® EcoSense® Ant B Gon® Indoor Pest Spray can be used in/around household food preparation areas as well as around pets and wildlife.

**DIRECTIONS FOR USE:**

Shake well before each use and shake frequently during use. Spray thoroughly into infested areas and insect hiding places, such as cracks and crevices; around baseboards and window and doorframes; underneath and behind, refrigerators, stoves, cabinets and garbage cans; under sinks; and around plumbing. Product can also be sprayed directly onto pests. Use stream setting for cracks and crevices. Repeat treatment as necessary.

**PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN.**

May irritate skin and eyes and cause skin sensitization responses. Avoid contact with eyes, skin and clothing. Use only in well ventilated areas.

**TOXICOLOGICAL INFORMATION:**

Product may cause eye and skin irritation and may aggravate pre-existing skin conditions.

---

**FIRST AID:**

If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**DISPOSAL:**

Do not reuse empty container. Dispose of empty container with household garbage.

**NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
