[SIDE OR BACK PANEL - ENGLISH]

**Ortho® [logo]
Cat B Gon™ Max™ Ultrasonic
Cat Deterrent**

Ortho® Cat B Gon™ Max™ Ultrasonic Cat Deterrent emits a burst of sound within a cat's range of hearing. Simply place in front of the area you wish to protect.

DIRECTIONS FOR USE:

- Install a 9 volt alkaline battery (not included) into the unit.
- Place the Ortho® Cat B Gon™ Max™ Ultrasonic Cat Deterrent where it will have a clear view of the area you want to protect; objects in front of the unit will prevent triggering and block sound. —Avoid facing towards high traffic areas or objects that move in the wind as this will cause the unit to activate frequently and could wear down the battery.
- Mount unit not more than 30.5 cm (12") above the ground with mounting stakes (provided), or attach to a vertical surface with screws .
- Point the curved lens at the front of the unit toward the area to be protected.
- SEE INSIDE PAMPHLET FOR COMPLETE ASSEMBLY INSTRUCTIONS

PRECAUTIONS :

KEEP OUT OF THE REACH OF CHILDREN. For outdoor use only. Do not hold the speaker to your ear. Do not press against the lens. Do not permit pets to access the area containing the device(s). When working near the device(s), ear protection is recommended. Children should not be permitted to play in close proximity to the device(s).

Note: Some white cats, older cats and exotic breeds are by nature hard of hearing in the upper hearing range and may not be affected.

When cats come within range, Ortho® Cat B Gon™ Max™ Ultrasonic Cat Deterrent emits a burst of ultrasonic sound that startles them and discourages them from visiting the same area again. People cannot detect the ultrasonic burst, the red light lets you know when it is activated.

DIRECTIONS FOR USE:

1. Install 9-volt battery (not included)

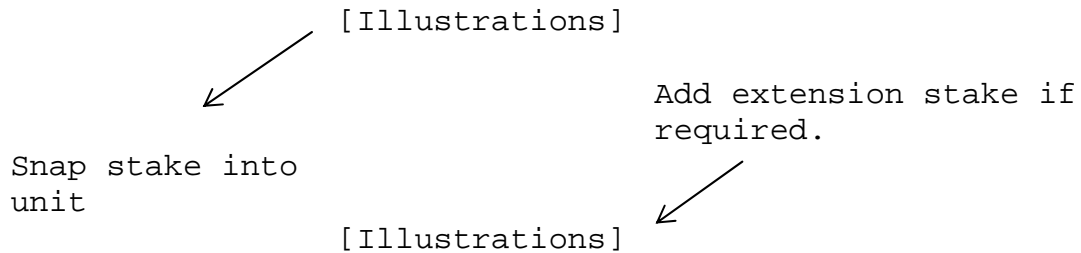

[Illustration] ← Power jack.
 ← Remove screw to
 install battery.
 Replace when done.

- When the battery is first installed, the red light behind the lens will stay on for 5 seconds. After that, the red light will come on each time the unit is activated.
- [When the battery is low, the red light will blink once after the unit is activated.]

- [When the battery is nearly depleted, the red light will blink three times when the motion sensor is activated. The ultrasonic sound cannot activate with a depleted battery.]

2. Attach stake to Ortho® Cat B Gon™ Max™ Ultrasonic Cat Deterrent

Use the extension stake if more height is needed. If using on a deck or patio, leave the stake off and simply set the unit on the ground.

Alternatively, you can mount the unit to a wall or a fence, by using the mounting holes at the back and screws. Mount the unit a maximum of 30.5 cm (12") off the ground.

Distance between mounting holes: 6.3 cm
(2.5")

3. Position Ortho® Cat B Gon™ Max™ Ultrasonic Cat Deterrent

Place the unit in front of the area you wish to protect. To avoid battery drain, do not face unit toward high-traffic areas such as sidewalks.

PRECAUTIONS:

KEEP OUT OF THE REACH OF CHILDREN. For outdoor use only. Do not hold the speaker to your ear. Do not press against the lens. Do not permit pets to access the area containing the device(s). When working near the device(s), ear protection is recommended. Children should not be permitted to play in close proximity to the device(s).

Note: Some white cats, older cats and exotic breeds are by nature hard of hearing in the upper hearing range and may not be affected.

LIMITED TWO YEAR WARRANTY ON CAT B GON™ MAX™

Scotts Canada Ltd. ("we", "us" or "our") warrants to the original purchaser ("you" or "your") of its Cat B Gon™ Max™ product (the "Product"), that the Product will be free from defects in materials and workmanship for the period of two (2) years from date of purchase (the "Warranty Period"). Except as provided by this limited warranty, we make no other express warranties for the Product. This limited warranty gives you specific legal rights, and you may also have other rights, which vary from province to province. The limited warranty can also be found online at www.scotts.ca and/or in the documentation we provide with the Product. We limited the duration and remedies of all implied warranties, including without limitation, the warranties of merchantability and fitness for a particular purpose to the duration of this express limited warranty. Some provinces do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Should the Product be found to be defective in materials or workmanship within the Warranty Period our responsibility for the defective Product is limited to a refund of the purchase price or a replacement Product, at our sole discretion. The Warranty Period is not extended if we replace the Product. This limited warranty does not extend to any subsequent owner or other transferee of the Product. We may change the availability of this limited warranty at our discretion, but any changes will not be retroactive. This limited warranty does not cover any damage due to: (a) transportation; (b) storage; (c) improper use; (d) failure to follow the product instructions or to perform any preventive maintenance; (e) modifications; (f) unauthorized repair; (g) normal wear and tear; or (h) external causes such as accidents, abuse, or other actions or events beyond our reasonable control. If you believe your Product to be defective in materials or workmanship call 1-800-668-5669 (Canada) to request your refund or replacement Product.

LIMITATION OF LIABILITY

The remedies described above are your sole and exclusive remedies and our entire liability for any breach of this limited warranty. Our liability shall under no circumstances exceed the actual amount paid by you for the defective product, nor shall we under any circumstances be liable for any consequential, incidental, special or punitive damages or losses, whether direct or indirect. Some provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
