320-22nd Street

East Saskatoon,

SK S7K 0H1, Canada

1-877-362-3276

DIRECTIONS FOR USE:

To be used only in the manufacture of a herbicide which is registered under the Pest Control Products Act.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

Avoid contact. Wash thoroughly after using or before eating or smoking. Wear protective clothing including goggles and respirator when handling technical material.

FIRST AID:

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

TOXICOLOGICAL INFORMATION:

Treatment of intoxication should be symptomatic and supportive.

STORAGE:

Keep in original container during storage. Do not contaminate or store near feed, seeds, or foodstuffs. Keep away from fire, open flame, or other sources of heat. Do not store at temperatures below 0 degrees C or above 50 degrees C. Normal storage temperatures should be between 5-30degrees C.

DISPOSAL:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial/territorial regulations. For additional details and clean-up of spills, contact the manufacturer or the provincial/territorial regulatory agency.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
