DIRECTIONS FOR USE

To be used only in the manufacture of an insecticide which is registered under the *Pest Control Products Act*.

PRECAUTIONS

1. **PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.**
2. May irritate eyes. Avoid contact with eyes, skin and clothing.
3. Fatal or poisonous if swallowed. May be fatal if inhaled. Harmful if absorbed through skin.
4. DO NOT breathe dust or vapours.
5. Wash thoroughly with soap and water after handling and before eating, drinking and/or smoking. Wash contaminated clothing with soap and hot water before re-use.
6. DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

FIRST AID

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

The patient should be treated symptomatically.

ENVIRONMENTAL HAZARDS

TOXIC to aquatic organisms.

STORAGE

1. Keep the leftover product in original, tightly closed container during storage.
2. Store product in cool, dry, well ventilated place away from seed, fertilizer or other pesticides.
3. Keep product away from heat or open flame or other sources of heat.

DISPOSAL AND DECONTAMINATION

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the manufacturer or the provincial regulatory agency.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
