NOTICE TO USER:

This control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.

DIRECTIONS FOR USE:

To be used only for the manufacture of herbicides which are registered under the *Pest Control Products Act*.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL

DANGER – CORROSIVE TO EYES

WARNING – SKIN IRRITANT

POTENTIAL SKIN SENSITIZER

May be harmful if swallowed, inhaled or absorbed through skin. Causes eye irritation.

Do not get in eyes or on clothing. Avoid contact with skin. Avoid breathing vapours or spray mist.

Use adequate ventilation.

Wash skin thoroughly with soap and water after handling and before eating, drinking or smoking.

FIRST AID:

If swallowed

Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person.

If on skin or clothing

Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled

Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes

Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

THIS PRODUCT CONTAINS PETROLEUM DISTILLATES. Vomiting may cause aspiration pneumonia. Treat symptomatically.

ENVIRONMENTAL PRECAUTIONS :

This product contains a petroleum distillate, which is moderately to highly toxic to aquatic organisms. DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

STORAGE:

Store in a cool, dry and well-ventilated place. Store product in original container only, away from other pesticides, fertilizer, food, seed or feed. Do not contaminate water, food or feed by storage. Keep container closed. DO NOT FREEZE.

DISPOSAL AND DECONTAMINATION:

Canadian manufacturers using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on the disposal of unused, unwanted product, contact the manufacturer or the provincial/territorial regulatory agency. Contact the manufacturer and the provincial/territorial regulatory agency in case of a spill, and for the clean-up of spills.
