CONTAINER CAN BE HELD IN ANY POSITION, EVEN UPSIDE DOWN TO SPRAY INSECTS IN THE MOST DIFFICULT-TO-REACH AREAS SUCH AS THE UNDERSIDE BELLY OF THE HORSE.

**DIRECTIONS:** SHAKE CAN WELL BEFORE USING. To protect horses from attacks of Flies, Mosquitoes, and Gnats. Remove mucous secretions from face of animal. Apply spray lightly to back, belly, ear & leg regions where the specific attacking insects feed. Avoid eyes, nose and mouth. Not to be used on newborn or nursing foals. Do not soak skin. Do not cover horses immediately after treating. Do not apply to back of animal prior to saddling. Repeat treatment daily, if necessary.

**PRECAUTIONS:** KEEP OUT OF REACH OF CHILDREN. Do not use in presence of open flame or spark. Discontinue if dermal or nasal irritation develops. Do not contaminate feed or water troughs. Do not use on sick animals or animals under drug or pesticide treatment. Before using on pregnant animals consult a veterinarian. Avoid inhalation of spray. Wash hands after use.

**DISPOSAL:** Dispose of empty container in regular garbage.

**FIRST AID:** If sprayed in your eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If on skin, wash with soap and water. If irritation persists, obtain medical attention. If swallowed, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.
