**SCOTTS® ECOSENSE™
INDOOR INSECT KILLER
READY-TO-USE**

Care Today, Benefit Tomorrow™ [ECOSENSE ICON]

Scotts® EcoSense™ Indoor Insect Killer Ready-to-Use kills ants, cockroaches, crickets, earwigs, silverfish, carpet beetles and spiders inside your home.

- This specially made formula is only available from Scotts® EcoSense™.
- Use inside your home in locations such as in kitchens, pantries, basements and garages.
- May leave oil mark after spraying but is not likely to stain.
- May leave slight odour in certain treatment locations such as carpet.
- Use soap and water or other cleaning products (e.g., carpet cleaner) to remove any oil marks or odours.

DIRECTIONS FOR USE:

Kills the following pests on contact: Ants, cockroaches, crickets, earwigs, silverfish, carpet beetles and spiders. Shake the container well before using and occasionally during use. Set nozzle to spray setting. Spray directly onto the pest until thoroughly covered. Spray as needed when pests are seen. Spray in cabinets, in drawers, in closets, under sinks, on walls, on floors, in cracks and crevices and along baseboards. Do not spray near open heat or open flame. Remove food from the area before spraying. Thoroughly wash all food storage areas with soap and water before reuse. Do not apply to furniture other than what is indicated on this label. Do not apply as a broadcast or space spray.

Although Scotts® EcoSense™ Indoor Insect Killer Ready-To-Use is not expected to damage most substrates, it is recommended that a small, inconspicuous area be tested prior to treating an entire area in case of damage. Use soap and water or other cleaning products (e.g., carpet cleaner) to remove any oil marks or odours.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. Causes skin irritation. DO NOT get on skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

FIRST AID:

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treat symptomatically.

STORAGE & DISPOSAL:

Store in cool, dry area away from heat or open flame. To prevent contamination store this product away from food or feed. **DO NOT** reuse the empty containers. Dispose in household garbage. Unused or partially used products should be disposed at provincially or municipally designated hazardous waste disposal sites.
