## **DIRECTIONS FOR USE:**

**ROSES, FLOWERS or ORNAMENTALS:** Controls Powdery Mildew, Rust, Apple Scab and mites. Dust or spray every 7-10 days through the season.

**How to use:** May be dusted directly onto plants or bulbs, or may be mixed with water for spray application.

**Mixing:** add 15 ml (1 tablespoon) to each litre of water and mix thoroughly. Agitate the mixture while spraying to avoid settling.

**Note:** 15 ml weighs approximately 10 grams.

**PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN:** Do not apply at temperatures of 24°C or higher. Do not apply within 30 days of oil sprays. Avoid breathing spray dust or mist. Avoid contact with skin, eyes or clothing. Do not contaminate feed, food or any body of water. Wash thoroughly after use and before eating, drinking or smoking. Store in a dry ventilated place.

**ENVIRONMENTAL HAZARDS:** Do not apply directly to aquatic habitats (such as lakes, rivers, sloughs, ponds, coulees, prairie potholes, creeks, marshes, streams, reservoir and wetlands) and estuarine/marine habitats. Do not contaminate water by cleaning equipment or disposing of wastes.

## **FIRST AID**

**IF IN EYES,** hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**IF ON SKIN OR CLOTHING,** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**IF SWALLOWED,** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**IF INHALED,** move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.
