## **Right Side**

**PRECAUTIONS:** Pregnant or nursing women and people with suppressed immune systems should note that a parasite found in cat feces can sometimes transmit a disease called toxoplasmosis. They should exercise caution and consult a physician before handling a litter box. Always wash hands thoroughly after preparing or cleaning the litter box. This product does not protect users or others against disease-causing bacteria. For further information, contact your physician or local public health agency.

**WARNING:** Do not flush waste down the toilet or any other water waste system. Do not use this product as a traction aid. It becomes slippery when wet. Keep the litter away from food preparation..

## **JONNY CAT® ANTI-BACTERIAL COARSE LITTER**

### **Back**

## **JONNY CAT® ANTI-BACTERIAL COARSE LITTER**

### **Cat Litter**

**JONNY CAT® ANTI-BACTERIAL COARSE LITTER** contains an anti-bacterial agent that inhibits the growth of bacterial odours in the litter box.

**SUPER ABSORBENT CLAY:** 100% natural clay from special deposits makes **JONNY CAT® ANTI-BACTERIAL COARSE LITTER** super absorbent.

- **Dust Free**

**JONNY CAT® ANTI-BACTERIAL COARSE LITTER** absorbs odours on contact and releases a fresh floral scent for longlasting odour control.

## **DIRECTIONS FOR USE**

### **FILL**

Fill litter box with 8 cm (3 inches) of **JONNY CAT®**. Do not mix with other litters.

**PRECAUTIONS:** We want to remind pregnant or nursing women and those with suppressed immune systems that a parasite found in cat feces can sometimes transmit a disease called toxoplasmosis. They should exercise caution and consult a physician before handling a litter box. Always wash hands thoroughly after preparing or cleaning the litter box. This product does not protect users or others against disease-causing bacteria. For further information, contact your physician or local public health agency.

**WARNING:** Do not flush waste down the toilet or any other water waste system. Do not use this product as a traction aid. It becomes slippery when wet. Keep the litter away from food preparation.

**FIRST AID:** Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGIC INFORMATION:** Treat symptomatically.

**DISPOSAL:** Dispose of clumps or used and unused cat litter and packaging in accordance with local regulations.

**SATISFACTION GUARANTEED**  
or purchase price refunded.

Contents: Natural Earth Product, store in dry place.
