Premier Tech Ltd. / Lic. Premier Tech Home & Garden Inc.  
1 avenue Premier, Rivière-du-Loup, QC G5R 6C1  
1-800-268-2806

**DIRECTIONS FOR USE:** Shake well before using. Hold can upright while spraying.

For indoor use only. Do not use this product in food handling, storage or preparation areas while food is present. Use only for spot or crack and crevice applications. A spot treatment is made to a localized surface area not greater than 0.2 m<sup>2</sup> . Spots are not to be adjoining and the total area of spots is not to exceed 10% of the surface area being treated (for example, floors, walls, ceilings). A crack and crevice application is made into narrow openings on the surfaces of the structure. Such openings commonly occur at expansion joints, utility entry points and between different elements of construction (for example, baseboards, moulding).

**BED BUGS:** Spray mattresses, particularly around seams and tufts. Take beds apart, spray all joints. Before treatment, remove all bedding and thoroughly vacuum and air out mattresses and box spring. Treat mattresses, especially tufts, folds and edges, box springs, bed frames and headboards. Allow treatment to dry before remaking bed with freshly washed bedding.

**PRECAUTIONS:** KEEP OUT OF REACH OF CHILDREN AND PETS. Harmful if swallowed or absorbed through skin. Contains petroleum distillates. Do not breathe vapours or spray mist. Avoid contact with skin or eyes. Wash hands with soap and warm water after use. **DO NOT SPRAY ANIMALS WITH THIS PRODUCT.** Cover fish aquariums before spraying. Remove animals for a minimum of 1 hour when spraying room. Vacate room for at least 15 minutes after spraying, and aerate before re-entering. Avoid contact with treated surfaces until dry. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 50 °C may cause bursting. Do not use this product in or on electrical equipment due to possibility of shock hazard.

**FIRST AID:** **If swallowed**, call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person. **If on skin or clothing**, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. **If inhaled**, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. **If in eyes**, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take the container label or product name and P.C.P. Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically. Contains petroleum distillates. Vomiting may cause aspiration pneumonia.

**ENVIRONMENTAL HAZARDS:** Toxic to aquatic organisms.

**STORAGE:** Store in a cool, dry area away from heat or open flame.

**DISPOSAL:** When container is empty, press valve to release all remaining pressure. Wrap and discard empty container in household garbage. Do not puncture or incinerate.

**For additional product information or in case of emergency, spills or fire, call toll-free 1-800-268-2806.**
