MUSKOL INSECT REPELLENT LOTION

Invented in Canada in 1951 by Colonel C.H. Coll, an avid outdoorsman.

Repels Mosquitoes, black flies, biting midges, deer flies, stable flies, ticks, and chiggers.

DIRECTIONS FOR USE: Read and follow all directions and precautions before using this product. Shake well before using. Apply sparingly, not under clothing and only when necessary. Reapply after 6 hours if necessary.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. DO NOT USE ON CHILDREN UNDER 12 YEARS OF AGE. Avoid contact with eyes and mouth, rayon, Dynel, acetate or plants. May damage furniture finishes, plastics and painted surfaces.

FIRST AID: If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. If irritation or other adverse effects develop wash with soap and water immediately. Seek medical attention if symptoms persist. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL: Wrap empty container and discard in household garbage.
