XEMIUM is a registered trademark of BASF SE, used with permission by BASF Canada Inc.

DIRECTIONS FOR USE

To be used only in the manufacture of a pesticide which is registered under the *Pest Control Products Act*.

PRECAUTIONS

Strictly observe all precautions for handling and using pesticides.

Avoid contact with skin, eyes, clothing and inhalation of spray mist.

Do not contaminate food, feed or water supplies.

KEEP OUT OF REACH OF CHILDREN AND ANIMALS AND PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

FIRST AID

If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If swallowed, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If inhaled, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

There is no specific antidote. This product is of very low acute toxicity by the oral and dermal routes and poisoning is unlikely to occur. Treatment should be symptomatic.

DISPOSAL AND DECONTAMINATION

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the manufacturer or the provincial regulatory agency.

STORAGE

To prevent contamination, store this product away from food or feed.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
