DIRECTIONS FOR USE: To be used only in the manufacture of a molluscicide which is registered under the PEST CONTROL PRODUCTS ACT. DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Avoid contact with skin, eyes, and clothing. Avoid hand-to-mouth contact. Prolonged contact may irritate skin. Use of rubber gloves and safety glasses is recommended.

FIRST AID: If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take the affected person to a safe and uncontaminated area. Seek medical attention IMMEDIATELY if redness, swelling, itching, burning or shortness of breath occurs. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL AND DECONTAMINATION: Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with

municipal or provincial regulations. For additional details and information on cleanup of spills, contact the provincial regulatory agency or the Manufacturer.

STORAGE: Avoid extremes of heat and cold. Keep away from open flame. May partially congeal if stored in cold. Keep in warmth until completely re-dissolved, before using. Do not store for prolonged periods in partially filled container.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offense under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
