DIRECTIONS FOR USE: Repels mosquitoes, black flies, stable flies, biting midges, deer flies, ticks and chiggers. Non-greasy. Won't stain. Hold container upright, apply sparingly, not under clothing and only when necessary. Reapply after 2 hours if necessary. **TO APPLY TO FACE OF ADULTS AND INDIVIDUALS OLDER THAN 12 YEARS OF AGE:** Spray hands and apply avoiding eyes and mouth. Wash hands, after application. Do not spray in enclosed spaces.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Supervise applications on children. Do not use on infants under 6 months of age. In 6 month to 2 years olds, do not apply more than once a day. Not for daily use. Avoid application to hands and face. In 2-12 year olds, **DO NOT** apply more than 3 times per day. Not for daily use. Do not apply to face and hands. Avoid contact with eyes and mouth, cuts, wounds, sunburned skin, rayon, Dynel and acetate, plants, furniture finishes, plastics and painted surfaces. Keep away from open flame or sparks.

FIRST AID: If Swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL: Do not re-use empty container. When container is empty, discard in household garbage.
