CONTAINS # CHILD RESISTANT BAITS

<<optional marketing claims>>

(Kills) (Effective against) a variety of household ants.

2 baits in 1: contains two food sources ants eat.

Kills ants where they breed

Solve your ant problem

Kills ants you see, kills ants you don't see

(With) two foods (ants eat), to kill (ants) (for up to three months).

New (Discreet) (Decorative) (Bait) (Station) (Unit) Design (!) (allow(s) for versatile placement) (blend(s) (in with home décor)

(Shape) (fit)(s) (is) (barely noticeable) (blend)(s) (along) (against) (walls) (surroundings)

(Secure) (in place) (with) (bottom-mounted) (adhesive) (on) (clear) (under) (side) (base)

(Designed) (custom)(ized) (for) (better) (place)(ment)(s) (for) (bait)(s) (station)(s)

(unit)(s) (along walls) (where) (ants) (are seen)

(Precision) (precise) bait (station) stays where you place it

(With) (adhesive) (sticker)(s) (on back) (to place) (them) (for) (out of sight) (and) (out of reach) (placement)

(Stick) (it) (them) (stays) where you (need) (want) (it) (them)

Sealed for freshness

Pull (peel) here

Peel off label and place in a convenient location (like your calendar or your refrigerator, etc.)

Raid Discreet Ant Baits are Guaranteed to work.

(To sign-up for the bait station (replacement) reminder (service,)) Visit raid.ca (for a free (replacement) reminder) (to be reminded) (to receive a(n) (email) (text message) (postcard) (or) (phone call)) (when (it is time to replace your baits) ((3)(three) months have passed) (when it is time to replace your bait)

((For HOUSEHOLD USE) or (USE IN)- closets, basements, attics, recreation rooms, living areas, kitchens, bathrooms, dining rooms, pantries, food storage shelving, waste receptacles, and other areas in the home.)

(For) (best results) (maximum effectiveness) (To keep ants from returning) use all (#) baits at one time (as shown) (and replace every three months.)

For best results, Place baits wherever ants are seen: by ant trails, household entry points or wherever ants are numerous; (Near) (next to) (walls) (along) (baseboards) (in corners) (under sinks) (in cabinets) (cabinets) (and) (or) (plumbing fixtures) (/) (water sources) (including) (like) (sinks) (toilets) (faucets) (pipes) (behind) (and) (under) (refrigerator)(s) (appliances) (and) (close to) (sinks and toilets).

This is how Raid Discreet Ant Baits works:

1. Raid Discreet Ant Baits fit (snugly) along paths commonly traveled by ants.
2. Ants are attracted to the bait station to feed.
3. Ants eat the (brown) (food) bait and return to nesting area to die.
4. Bait carried back to the nest continues to kill other ants.

Bait station monitoring Information:

Raid Discreet Ant Baits are designed to provide an easy way to determine if the (bait) station needs to be replaced. Simply turn the (bait) station over and look through the (clear) (bottom) (side) (underside) (window) (base) to see if any (brown) (bait) (food) remains. If little (or no) brown (bait) food is left, it is time to replace that station. This provides you with control over monitoring and replacing the bait station as needed.

<<Carton label, back panel>>

DIRECTIONS: For indoor use only.

TO KILL (/CONTROL) ANTS:

1. Open plastic wrap and remove bait station
2. Place (bait station) near ant trails (and) (or) where (you see) (you've seen) ants.
3. Do not place (bait station) on food preparation surfaces.
4. (Optional: To secure (bait station) (in place), (remove) (peel off) the (clear) (colored) (strip) (tab) (dot) on the (back) (bottom) (under) (window) (side) (base) (of the bait station). Place (with) (clear) (bottom) (*window*) (side) (base) down (and) (apply (light) pressure. (and press) *)

*(applies to) (Not intended for use on wallpaper or unfinished wood.

For other surfaces test in an inconspicuous area first.)

5. The bait becomes stale (replace all bait stations) after (three) (3) months (even if (bait) (food) is visible)

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Do not remove bait from station. Avoid contamination of food and feed. Do not place directly over food, utensils, dishes or food preparation surfaces.

FIRST AID: IF SWALLOWED Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL: Do not re-use empty container. Wrap and dispose of empty carton and used bait stations with household garbage.
