DIRECTIONS: Repels mosquitoes for 2 hours. Also repels black flies. Apply sparingly not under clothing and only when necessary. Reapply after 2 hours if necessary. Hold container upright and spray clothing and exposed skin, except face. **TO APPLY TO FACE:** Spray hands and apply avoiding eyes and mouth. Do not spray in enclosed spaces.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Do not contaminate food, utensils or any body of water. Supervise applications on children. Do not use on infants under 6 months of age. In 6 month to 2 year olds, do not apply more than once a day. Not for daily use. Avoid application to hands. In 2-12 year olds, do not apply more than 3 times per day. Avoid contact with eyes and mouth, plastics and fabrics such as acetate, rayon and dynel. May damage furniture finish, plastics and painted surfaces.

FIRST AID:

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If swallowed, Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If irritation or other adverse effects develop, wash with soap and water immediately. Seek medical attention if symptoms persist.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL: Do not reuse container. When container is empty discard in household garbage.
