DIRECTIONS FOR USE: Read and follow all directions and  
Precautions on this product label. Hold container 15 to 20  
cm from skin or clothing and spray with a slow sweeping  
motion. Apply sparingly, not under clothing and only when  
necessary. Do not apply directly to face, on wounds,

freshly shaved, excessively sunburned or irritated skin. TO APPLY TO FACE: Spray hands and apply avoiding eyes and mouth. Use just enough repellent to cover exposed skin. Avoid over application of product. FOR CONTINUED PROTECTION from mosquitoes, reapply if necessary after 5 hours, and for deer ticks reapply if necessary after 7 hours. Do not spray in enclosed spaces.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Supervise applications on children. Do not apply on the hands of small children. Do not use on infants under 6 months of age. Causes eye irritation. DO NOT get in eyes. Avoid contact with eyes and mouth. Discontinue use if irritation or rash appears. CONTENTS UNDER PRESSURE. Do not place in hot water or near radiators, stoves, or other sources of heat. Do not puncture or incinerate container or store at temperatures over 50 °C. Keep away from open flame or spark. Intentional misuse by deliberately concentrating and inhaling contents may be harmful or fatal.

FIRST AID:

If irritation or other adverse effects develop, wash with soap and water immediately. Seek medical attention if symptoms persist.

IF SWALLOWED:

Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person.

IF INHALED:

Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF IN EYES:

Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical advice.

TOXICOLOGICAL INFORMATION: This product contains petroleum distillates. Vomiting may cause aspiration pneumonia.

STORAGE: Store in cool, dry place away from heat or flame.  
DISPOSAL: When empty, press button to release pressure,  
discard container in household trash or offer for recycling  
if available. If partly filled, call your local waste  
agency for disposal instructions.
