DIRECTIONS FOR USE

To be used only in the manufacture (formulating, repackaging, repouring) of a pest control product solely for export from Canada.

PRECAUTIONS

- PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.
- KEEP OUT OF REACH OF CHILDREN
- HAZARDOUS TO HUMANS
- CORROSIVE TO EYES AND SKIN.
- Fatal if inhaled. Do not inhale sprays, vapours.
- Harmful if swallowed. Do not eat, drink, or smoke when using this product.
- Do not get in eyes, on skin or on clothing.
- Wear coveralls worn over long-sleeved shirt and long pants, socks, chemical-resistant footwear, chemical-resistant gloves, and protective eyewear (goggles or face mask).
- Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Do not mix with other chemicals. Mix only with water.
- DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

FIRST AID

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN/CLOTHING: Call a poison control centre or doctor immediately for treatment advice. Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

IF IN EYES: Call a poison control centre or doctor immediately for treatment advice. Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF INHALED: Call a poison control centre or doctor immediately for treatment advice. Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

Treat symptomatically.

ENVIRONMENTAL HAZARDS

TOXIC to aquatic organisms.

STORAGE

To prevent contamination store this product away from food or feed.
Keep product dry and store in a cool, dry, well-ventilated area away from heat or open flame. Store in original container.

DISPOSAL AND DECONTAMINATION

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the manufacturer or the provincial regulatory agency

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
