**DIRECTIONS FOR USE:**

To be used only in the manufacture of a pesticide which is registered under the Pest Control Products Act.

**PRECAUTIONS**

Harmful or Fatal if swallowed. Severely irritating to the eyes. Causes skin irritation. DO NOT get in eyes, on skin or on clothing. Inhalation may cause respiratory tract and mucous membrane irritation. Wear goggles or face shield. Wear chemical resistant apron or coveralls and gloves. Avoid breathing vapor. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

**PREVENT ACCESS BY UNAUTHORIZED PERSONNEL****FIRST AID**

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control center or doctor for treatment advice.

**IF INHALED:** Move affected person(s) to fresh air. If person is not breathing, call 911 or an ambulance then give artificial respiration, preferably by mouth-mouth, if possible. Call a poison control center or doctor for further treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically

**STORAGE**

Sensitive to light and heat. Store at temperatures below 30° C. Store container upright and keep tightly closed when not in use.

**DISPOSAL**

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the manufacturer or the provincial regulatory agency.

**NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
