## **Cat's Pride Fresh and Light Premium Clumping Litter Multi Cat Scoopable Great Buy**

Invite the neighbors' cats. This powerful litter works for the heaviest of traffic "round the clock". Yet it's only made from gentle ingredients safe for your cat. It's great at absorbing and stopping odor before it starts, leaving your busy litter box with a fresh, clean scent.

### **Our 9.5kg > Same Uses > Their 12.7kg**

#### **Save your back. Our formula is up to 25% lighter.**

New Cat's Pride® Fresh & Light™ is a revolutionary clay blend that weighs up to 25% less than other scoopable litter formulas. Making it easier to lift, carry and pour. After all, you're a cat lover, not a weight lifter. Each bicep-friendly 9.5 kg box of Cat's Pride® Fresh & Light™ gives you the same number of uses as 12.7 kg of other leading scoopable brands. Delivering first-rate clumping and odor control with a low-dust formula that keeps litter from tracking.

#### **Odor-controlling.**

##### **(It's not magic. But it sure smells like it.)**

This unique blend of naturally occurring minerals absorbs odors on contact, locking in and stopping odors before they start. Which means your litter box stays fresher, longer. Pinch yourself!

\* Up to 25% lighter than other scoopable cat litters.

+ Number of uses may vary based on individual litter changing habits.

## **Cat's Pride Fresh and Light Premium Clumping Litter**

#### **Directions**

1. Fill litter box to a depth of at least 8 cm (3 inches).
2. Remove clumps daily and dispose in trash.
3. Refill as needed to maintain 8 cm (3-inch) depth.
4. For optimal hygiene, completely change the litter at least once a month and clean the litter box with soap and water.

**WARNING**

Cat's Pride® Fresh & Light™ is NOT a flushable product. Please do not flush cat litter in toilets or dispose of it outdoors in gutters or storm drains. Do not use this product as a traction aid. It becomes slippery when wet. Keep the litter away from food preparation.

Ingredients : Natural clay blend with odor-controlling system.

**PRECAUTIONS:** We want to remind pregnant women and those with suppressed immune systems that a parasite found in cat feces can sometimes transmit a disease called toxoplasmosis. Please wash hands thoroughly after handling used litter. This product does not protect users or others against disease causing bacteria. For further information, contact your physician or local public health agency.
