DIRECTIONS FOR USE: To be used only in the manufacture of insecticides which are registered under the Pest Control Products Act. This product is to be used with appropriate solvents and or carriers, and in the case of pressurized products, propellents, to produce an insecticide product.

Mix well in drum before sampling and each use.

PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Harmful if swallowed, inhaled or absorbed through skin. Wear protective clothing. Wash thoroughly after handling. Wash contaminated clothing with warm water and soap before reuse. Avoid contamination of food or feedstuffs.

ENVIRONMENTAL PRECAUTIONS:

TOXIC to aquatic organisms.

DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

FIRST AID: **If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person. **If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. **If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. **If in eyes:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: This product contains petroleum distillates. Vomiting may cause aspiration pneumonia.

STORAGE: Keep in original container during storage. Store product in cool, dry, well ventilated place away from seed, fertilizer, or other pesticides. Keep away from fire or open flame, or other source of heat.

DECONTAMINATION & DISPOSAL: Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and cleanup of spills, contact the provincial regulatory agency or the manufacturer.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offense under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.

EMERGENCY TELEPHONE NUMBER:

In case of Medical emergencies or health and safety inquiries, or in case of fire, leaking or damaged containers, information may be obtained by calling **1-888-740-8712**.
