DIRECTIONS FOR USE

To be used in the manufacture of a pesticide which is registered under the PEST CONTROL PRODUCTS ACT.

PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL

Prolonged skin contact may cause irritation. Direct ocular contact may cause irritation. Avoid contact with skin, eyes or clothing. Avoid breathing mist. Wear a long-sleeved shirt, long pants, waterproof gloves, goggles and shoes plus socks when handling, mixing, and during all clean-up/repair activities. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

FIRST AID

If swallowed: Rinse mouth and throat with copious amounts of water. Do not induce vomiting.

If on skin/clothing: Take off contaminated clothing. Wash with plenty of soap and water.

If inhaled: Move to fresh air.

If in eyes: Hold eye open and rinse slowly and gently with water. Remove contact lenses, if present, then continue rinsing eye.

General: Seek medical attention immediately if irritation or signs of toxicity occur and persist or is severe. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

Treat symptomatically.

STORAGE

Keep in original container during storage. Store product in cool, dry, well-ventilated place away from seed, feed, fertilizer or other pesticides. Keep away from direct sunlight fire or open flame, or other source of heat. Keep from freezing. After extended storage, shake or stir the product thoroughly to assure a uniform suspension.

DISPOSAL

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
