Use SmartOnes™ WipeOut® Max for spot treatment of undesirable grasses and individual weeds including Poison Ivy. Use on patios, walkways, driveways as well as around trees, shrubs, ornamentals and hard to mow areas.

Non-selective control of annual and perennial grasses, including quackgrass, broadleaf weeds, such as chickweed, ragweed, knotweed, poison ivy, Canada thistle, milkweed, bindweed and brush. Virtually anything that is green and growing! KILLS ROOTS - NO RESIDUAL ACTIVITY IN SOIL

[Following 3 bullets - optional placement on primary or secondary panel]

- **EASY TO USE**
Cartridge is ready to use
Simply insert in SmartOnes™ Precision Sprayer
- **EFFORTLESS**
No mixing required
Just load 'n spray
- **BETTER RESULTS**
Controls the entire plant, down to the root
No soil activity or run off to affect nearby vegetation

DIRECTIONS FOR USE:

For annual weeds – apply anytime after emergence. **For perennial weeds** - apply after seed heads, flowers or berries appear. Repeat application if new seedlings grow from seeds. Do not apply if rainfall is forecast. Avoid disturbing the treated area for 7 – 10 days after treatment to ensure product gets down to the roots. CAUTION: Kills virtually anything that is green and growing.

No dilution or mixing needed – just load and spray!

- Remove protective cap and retain for storage of unused product
- To activate, set dial to ON. Set to OFF when not in use.
- Insert cartridge upside down in the cone of the SmartOnes™ Precision Sprayer
- Lock handle firmly in place
- Place the SmartOnes™ Precision Sprayer over treatment area
- Gently push handle down to release the product. Spray covers an area of 8.9 cm (3.5 inches) in diameter.

PRECAUTIONS: CAUSES EYE IRRITATION. HARMFUL IF SWALLOWED. Avoid contact with eyes or prolonged contact with skin. Do not allow others such as children and pets on treated areas during application or to re-enter treated areas until spray has dried. Wash immediately after using this product.

FIRST AID: **If swallowed**, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. **If on skin or clothing**, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. **If in eyes**, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first five minutes,

then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and P.C.P. Reg. No. with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE: Store in original container. Store in a cool, dry place away from food, seed and feed.

DISPOSAL: Do not reuse empty cartridge. Wrap empty cartridge and discard in household garbage.
