Manufactured in Thailand [Philippines]
Mats made in Italy

Canadian Patent No. 2,227,419, U.S. Patent No. 5,700,430; D300,606; D423,071; 6,033,212 - Other Patents Pending
Thermacell® is a Registered United States Trademark of Thermacell Repellents, Inc.

Device is interchangeable with appliance and repeller throughout.

[] Denotes alternate/optional verbiage

{ } Denotes verbiage not printed on market labeling

Strikethrough = removed text ; High lights = new / replacement text

Some optional text may not appear on the "OUTER CARTON" label due to space constraints. In those cases it will appear on the "LEAFLET" label, which will be packaged inside the carton as an insert. In cases where the carton is of sufficient size, either no insert will be included or the insert will omit optional text.

KEEP PACKAGING FOR FUTURE REFERENCE

[Useful Tips:] {each tip below is optional as space allows }

- Allow 30 minutes, depending upon the size of the area, for product to take effect [and repel mosquitoes].
- This product works [well] [best] in outdoor areas where there is minimal air movement, such as [decks], [unenclosed porches], [patios] [yards] [unenclosed hunting stands] and [outdoor campsites].
- [Product may be used for camping [and hunting].]
- Use one repeller for [21.0 square metres] [an area 4.5 x 4.5 metres] [or 4.5 metres in diameter] [4.5 metres]. [Use additional devices to cover a larger area.]
- Each [Thermacell] mat lasts a maximum of 4 hours [and each Thermacell® butane cartridge lasts a maximum of 12 hours].
- Provides a maximum of 4 hours repellency per mat.
- [Original] [Mats provide [a maximum of] [up to] 4 hours repellency per mat [and turn from pale blue to white when repellent [active ingredient] [is] has been [exhausted] [used up] [depleted].]
- Mats turn from pale blue to white when [repellent] [it] [active ingredient] [is] [has been] [exhausted] [used up] [depleted] [and needs to be replaced].
- [If your device [repeller] fails to heat, it may be out of fuel. Check the fuel level by holding the cartridge vertically and looking at the fuel level. You can see the amount of butane in the cartridge. Replace if empty.]
- [Some visible vapor will appear during use; this is normal]
- [Use additional repellents to cover a larger area.]
- Altitudes [above 5000 ft] [can] [may] affect product performance
- [Butane [cartridge]] [canister(s)] works best in [at] altitudes under 1500 metres. High altitudes may affect performance.
- Position multiple devices [as needed] [every 4.5 metres] to protect a larger [patio][area].
- Keep [canister port] [fuel interface] [rubber] [plastic] [cap] [cover] [in place] [when not in use].

DIRECTIONS: Alleviates the annoyance from mosquitoes by repelling and killing mosquitoes and reducing the number of bites in an area up to 4.5 metres from the product (as large as an average-size deck or patio) for up to four hours. Effect is **not** immediate. For best results, allow 30 minutes for product to take effect. This product works well in outdoor areas where there is minimal air movement, such as decks, porches, patios and yards. Use one device per each 21.0 square metres (an area 4.5 x 4.5 metres or 15' x 15'). Use more devices in larger areas, spacing them to ensure adequate coverage. Mats turn from pale blue to white when repellent has been used up. Wind, heat or humidity may affect the performance of this product. Device and mat effectiveness may be diminished if exposed to rain.

To install the ZoneCheck Monitor battery:

To install [replace] battery, remove bottom compartment cover. Remove the battery compartment. Insert [#] [supplied] [not] [included] [battery type] batteries and gently press battery compartment back in original position. Replace compartment cover. [To recharge the batteries, use the included cord inserting the small end of the cord into the base of the appliance and inserting the plug into a powered outlet.]

To Use the Mosquito Repellent {MULTI-CARTRIDGE PORT}

1. Insert cartridges: [Open][Remove] the [appliance] [rubber] [plastic] [cover] [at the bottom of the appliance]. [Remove the cartridge cap(s) [if present]]. Place 1 to 4 Thermacell cartridges into the ports. Multiple cartridges extend runtime, and do not affect performance. If using only 2 cartridges, place them in opposite ports (as shown). [Firmly] close cover [on the bottom of the device].

2. Insert mat: Remove [protective][cover] from appliance. [Store][Place] the cover under the device [covering the [fuel source] [cartridge] access point.] Remove one Thermacell Mosquito Repellent mat from wrapper. Insert the mat under the grill [at the [top] of the device].

3. Turn on: Place appliance on a flat level surface. [Twist] [turn] [Move switch] [base] to ON position. [The gas will begin to flow.] [The [ZoneCheck] indicator light will begin to pulse [slow][fast [{color}]]. Wait approximately [#] seconds then [twist] [turn] to the [START] position [once] [until it clicks]. [The [intermittent] [pulsing light] [will change to {color} in a few minutes, indicating] [indicates] [the zone is being created] [the device is operating] [the device is [performing][warm][in use]].[if the light turns solid {color}, the device is not running properly, restart.]

4. Turn off: [Twist] [turn] [Move switch] to the OFF position. Allow device to cool. Return [cover] [cap] [lid] to original position on top of the appliance.

5. To [replace] [change] [Thermacell][mosquito repellent] mat: [Mats turn from pale blue to white when repellent [active ingredient] has been [exhausted] [used up] [depleted] [need to be replaced]. Appliance should be OFF. Allow grill to cool. Push the used mat out by inserting a [new] mat.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN AND PETS. Harmful if inhaled. Avoid breathing vapours. For outdoor use only to kill and repel mosquitoes. Do not use indoors, in tents or any enclosed area. Do not touch the grill while the appliance is in use. The grill is hot while in use. Do not insert anything other than Thermacell mats into the appliance. Place appliance on a flat, stable surface with the grill facing upward. Do not cover with any material while in use. Clean with a damp cloth only when the appliance is cool and inactive. Store unused mats in the original packaging in a cool, dry place inaccessible to children and pets. Store appliance and butane cartridges in a cool, dry place away from sources of heat. Harmful or fatal if swallowed. May be harmful if absorbed through skin. Avoid contact with skin and clothing. Wash hands with soap and water after use. Cover exposed food.

Cartridge contains flammable butane. Do not use near sparks or open flames. Do not insert anything other than the mats in the grill. Do not allow mat to come into contact with other substances. Cartridges contain pressurized butane. Protect the butane cartridges from sunlight. Do not expose them to temperatures above 50°C (120°F). Do not pierce, break or incinerate butane cartridges, even after use. Butane cartridges other than Thermacell cartridges will not work in this appliance. Seller will not be held responsible for damage, injury or poor performance caused by use of other butane cartridges or repellent mats.

This pesticide is highly toxic to fish. Do not apply directly to water. Drift from treated areas may be hazardous to organisms in adjacent aquatic sites.

FIRST AID:

If Inhaled, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. If swallowed, call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Contains petroleum distillates. Treat symptomatically. Vomiting may cause aspiration pneumonia.

STORAGE: DO NOT contaminate food/feed by storage.

DISPOSAL: Do not reuse empty envelopes. Wrap used mats and butane cartridges and place in household trash. Do not incinerate cartridges. Unused or partially used products should be disposed at provincially or municipally designated hazardous waste disposal sites.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

{Universal Marketing Language – may be added to marketing label}

{Basic Information}

1. [Mosquito] [protection] Repellent you don't spray on
2. Mosquito repellent without spray!
3. Protection without spray
4. Easy to use
5. Effective
6. Portable
7. Lightweight [and] [Convenient] [and] [silent]; [Silent] [and] [Portable]
8. Quiet. No fan, no noise
9. Clean, simple, easy to use.
10. Easy on – no fluid, no matches, no mess
11. [Virtually] [No odor] [No scent] [Scent-free] [odor free] [no unpleasant odor]
12. No open flame
13. Powered by Thermacell®
14. [Powerful] [Effective] Mosquito Repellent System
15. Works in minutes, lasts for hours
16. Create your own [mosquito protection] [zone] [area]
17. Advanced Mosquito Protection
18. Advanced [Mosquito] [Repellent] [Defense] [Protection] [Zone]
19. [Zone] [Area] Mosquito Defense
20. [This package] [Package] contains
21. [#] hour pack includes [#] butane cartridges and [#] mats
22. Other [Thermacell®] products

{Repellency/Area Coverage}

23. Provides 21.0 square metres (an area 4.5 x 4.5 metres or 15' x 15') [area of] repellency [, the size of an average deck].
24. Provides 21.0 square metres (an area 4.5 x 4.5 metres or 15' x 15') of repellency for a maximum of 4 hours per mat
25. Use [more] [#] [multiple] [devices] [to cover [protect] your whole yard [larger area] [campsite]
26. Protect your entire yard with Thermacell
27. Each device [unit] provides up to 21.0 square metres (an area 4.5 x 4.5 metres or 15' x 15') feet of protection
28. Use [#] devices [products] [units] to protect a larger [greater] area
29. Use [#] devices to protect a [#]m x [#]m area
30. Repels [mosquitoes]
31. Provides [4.5 x 4.5 m] [4.5 m] [Zone of Protection] [zone of repellency].
32. Proven [large], [wide] [broad] [area] [Coverage] [Repellency] [protection] [from] [against] mosquitoes
33. [Mosquito Zone Protection] Protects [protection] [from mosquitoes] up to [4.5 x 4.5 m] [4.5 m]
34. Effective [protection] [Coverage] [repellency] [from] [against] mosquitoes

{How it [Thermacell® Mosquito Repellent] Works}

35. Thermacell® [power] [Butane] Cartridge – [heats repellent mat and] lasts [a maximum of 12] [up to {#}] hours.
36. Heat-activated repellent mat repels mosquitoes
37. Thermacell® cartridge heats the repellent mat; repellent is released creating [a zone] [an area] of repellency
38. Heat[ed] [activated] [mat releases] [repellent] [into the air] [creating] [creates] [4.5 x 4.5 m] [4.5 m] [area of repellency] [mosquito protection zone] [from mosquitoes]
39. Repels mosquitoes [using] a heat-activated repellent mat

{Batteries}

40. Do not mix old and new batteries.
41. Do not mix alkaline, standard or rechargeable batteries.

{Product Features}

42. Water [weather] resistant

PRODUCT INFORMATION: Thermacell® Mosquito Area Repellent alleviates the annoyance from mosquitoes by repelling and killing mosquitoes and reducing the number of bites in an area as large as an average-size deck or patio (up to 4.5 meters from the product) for up to four hours. This product is portable and can be taken anywhere you expect annoying mosquitoes to be a problem. Simply insert the cartridge and repellent mat and push two buttons [turn the dial and push the button] to start. For use in backyards and other outdoor recreational areas such as patios and decks.

KEEP PACKAGING FOR FUTURE REFERENCE

[One mat lasts up to four hours. Mat turns from pale blue to white when active ingredient has been exhausted. To change mats, slide [turn] the ON/OFF switch [dial] to OFF and allow to cool completely. Push the used mat out by inserting a fresh one. [Graphics and subtitles will be added to final printed labeling]]

[Please refer to the instruction booklet that came with your device for specific features and directions.]

DIRECTIONS:

To Use Mosquito Repellent

1. Remove one mat from wrapper.
2. With Thermacell device off and completely cool, insert and center mat under grill.
3. Attach Thermacell device to the power source specified on the device directions.
4. Follow your device directions to activate repellent.

{If Butane is included}

To Insert Butane Cartridge

1. Remove the cover. Remove the cap from the butane cartridge
2. Screw the cartridge into the opening of the Thermacell. Make sure canister is fully inserted by turning it until it stops. Do not over tighten.
3. Replace the cover.

To Turn On/ Off

Refer to the device packaging

To Replace Mosquito Repellent Mat

Make sure device is off and cool; push used mat out by inserting a fresh one.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN AND PETS. Harmful if inhaled. Avoid breathing vapors. For outdoor use as an insect repellent only. Do not use indoors, in tents or any enclosed area. Do not touch the grill while the appliance is in use. The grill is hot while in use. Do not insert anything other than the mat into the appliance. Place appliance on a flat, stable surface with the grill facing upward. Do not cover with any material while in use. Clean with a damp cloth only when the device is cool and inactive. Store unused mats in the original packaging in a cool, dry place inaccessible to children and pets. Store appliance and butane cartridges in a cool, dry place away from sources of heat. Harmful or fatal if swallowed. May be harmful if absorbed through skin. Avoid contact with skin and clothing. Wash hands with soap and water after use. Cover exposed food.

Device contains flammable butane. Do not use near sparks or open flame. Do not insert anything other than the mats in the grill. Do not allow mat to come into contact with other substances. Cartridges contain pressurized butane. Protect the butane cartridges from sunlight. Do not expose them to temperatures above 50°C (120°F). Do not pierce, break or incinerate butane cartridges, even after use. Butane cartridges other than Thermacell® cartridges will not work in this appliance. Seller will not be held responsible for damage, injury or poor performance caused by use of other butane cartridges or repellent mats.

This pesticide is highly toxic to fish. Do not apply directly to water. Drift from treated areas may be hazardous to organisms in adjacent aquatic sites.

FIRST AID:

If Inhaled, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. If swallowed, call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if

present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Contains petroleum distillates. Treat symptomatically. Vomiting may cause aspiration pneumonia.

STORAGE: DO NOT contaminate food/feed by storage.

DISPOSAL: Do not reuse empty envelopes. Wrap used mats and butane cartridges and place in household trash. Do not incinerate cartridges. Unused or partially used products should be disposed at provincially or municipally designated hazardous waste disposal sites.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

This refill kit is to be used only with the following Thermacell products: Reg. Nos. 27878, 28367, 28368, 28834, 28835, 29107, 31738, 31994, 31998, 32022, 32023, 32024, 32025, 32043, 32695, 32722 P.C.P. Act
