- [Kills mosquitoes quick.]
- [Just light it, forget it.]
- [Kills mosquitoes quick, just light it, forget it]
- [Use on patios, porches, campsites and cabanas]

## **DIRECTIONS FOR USE**

### **FOR OUTDOOR USE TO REPEL MOSQUITOES**

PIC Mosquito Repellent Coils help to repel mosquitoes in outdoor areas where there is little or no breeze such as patios and porches, picnic areas and campsites. PIC Mosquito Repellent Coils may be used in outdoor areas like porches, backyards, patios, decks and similar areas where there is little movement of air. **DO NOT** use indoors or in enclosed spaces.

1. Stand serves as a holder for the coil. Pull center piece to upright position. Each disc consists of two (2) coils that should be separated.
2. Loosen outer rings of coil until end moves freely.
3. Grasp each comma-shaped portion in the center between thumb and forefinger of each hand.
4. Separate the two comma-shaped coils by gently pressing them in opposite directions 5 mm. apart.
5. Hold one comma shaped end and shake lightly or gently pry apart to separate the coils.
6. Insert tip of coil stand into slot in comma shaped end of coil.
7. Light outer end of coil until glowing.
8. Blow out any flame and allow to smolder.
9. Place one coil per 9 m<sup>2</sup> where mosquitoes are to be repelled.

**DO NOT** use in windy areas. Use in outdoor areas, including backyards, patios, porches and decks, which are sheltered from effects of wind and more easily protected by coils. In light winds, place coils upwind where possible to make use of associated drift. If shorter periods of use are desired, break coil into appropriate lengths and place in notched cut-out of holder. One coil will burn for approximately 5 hours..

### **USE LIMITATIONS**

**FOR OUTDOOR USE ONLY. DO NOT** use indoors or in enclosed spaces.

### **PRECAUTIONS:**

**KEEP OUT OF REACH OF CHILDREN. DO NOT** place in direct contact with flammable surfaces. Avoid prolonged inhalation of smoke. Cover exposed food to avoid contamination. **DO NOT** touch (lit/glowing) end. After using, wash hands with soap and water.

### **PRECAUTIONS AND RESTRICTIONS:**

- Outdoor use only.
- **DO NOT** touch lit end. **DO NOT** place in direct contact with flammable surface.
- Cover exposed foods to avoid contamination.
- **DO NOT** place in areas that are accessible to children.
- Only adults are permitted to replace the coil
- After using, wash hands with soap and water.

### **FIRST AID**

**If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. **If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. **If in eyes:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

### **TOXICOLOGICAL INFORMATION:**

Treat symptomatically.

### **STORAGE**

Store in a cool, dry area. Always store pesticides in the original container. Store away from food, feed or pet food.

### **DISPOSAL:**

**DO NOT** re-use empty container. Wrap empty wrapper in newspaper and dispose in household garbage.

### **NOTICE TO USER**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
