**DIRECTIONS FOR USE: SHAKE WELL BEFORE USING.**

Depress valve and spray lightly from a distance of 20-25cm (8-10 inches). Always test an area before spraying. Spray in an inconspicuous area to test for possible staining or discoloration. Evaluate test area after drying. **DO NOT** treat bed linens. **DO NOT** treat clothing. **DO NOT** use articles until treatment is dry. Do not use in food handling, storage or preparation areas while food is present.

**DO NOT** apply as a broadcast application. **ONLY** perimeter/spot crack and crevice is permitted. Perimeter/spot application is defined as an application in a wide band or strip around the perimeter of the room or over a small area ( $< 2 \text{ ft}^2 / 0.2 \text{ m}^2$ ). Crack and crevice applications are defined as an application with the use of a pin stream nozzle, into cracks and crevices in which pests hide or through which they may enter a building. Application to upholstered furniture must be limited to tufts and seams or spot treatment.

**TO KILL BED BUGS**

Apply as a spot treatment to cracks and crevices on and around baseboards, floorboards, bed frames, closets (remove clothing and other articles before treatment), door and window frames, and window treatment hardware such as curtain rods. Before treatment, remove all bedding and thoroughly vacuum and air out mattresses and box springs. Treat mattresses, box springs, bed frames and headboards, especially tufts, folds and edges of the mattress. Allow treatment to dry before remaking bed with freshly washed bedding. Apply as a spot treatment to mattresses and box springs (particularly around seams and tufts. Take beds apart, spray all joints). Thoroughly clean and air-out mattresses & box springs. Then treat areas that may harbor Bed Bugs such as tufts, folds and seams. Spray until damp. Repeat as required.

**PRECAUTIONS:**

**KEEP OUT OF REACH OF CHILDREN.** Harmful if swallowed or absorbed through skin. Contains petroleum distillate. Do not breathe vapours or spray mist. Avoid contact with skin or eyes. Wash hands with soap and warm water after use. **DO NOT** spray pets or other animals with this product. Avoid contamination of foodstuffs. In the home, all food processing surfaces and utensils should be covered during treatment, or thoroughly washed and rinsed before use. Remove or cover exposed food. Remove all pets and birds and cover fish aquariums before spraying. Vacate room for at least 15 minutes after spraying, and aerate before re-entering. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 50°C may cause bursting. Do not use this product in or on electrical equipment due to possibility of shock hazard. Do not use on MaidenHair Ferns. Do not use on vegetable crops.

**FIRST AID:**

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

2016-4622  
2017-04-24

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically. Contains petroleum distillates. Vomiting may cause aspiration pneumonia.

ENVIRONMENTAL HAZARDS: Toxic to aquatic organisms.STORAGE: Store in a cool dry area away from heat or open flame.

DISPOSAL: Do not use empty container. When container is empty, press button to release all pressure. Wrap container in several layers of newspaper and discard in household garbage. Do not puncture or incinerate.
