### **DIRECTIONS FOR USE:**

To be used only in the manufacture of a microbiocide product which is registered under the *Pest Control Products Act*.

**PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. CORROSIVE. CAUSES SEVERE EYE AND SKIN DAMAGE.** Potential skin sensitizer. May cause allergic skin reaction. Wear goggles or face shield and rubber gloves when handling. **FATAL OR POISONOUS IF SWALLOWED OR ABSORBED THROUGH SKIN. DO NOT** get in eyes, on skin, or on clothing. May be fatal if inhaled. **DO NOT** inhale or breathe sprays, vapours or dust. Avoid contamination of food. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco. Remove contaminated clothing and wash before reuse.

### **FIRST AID:**

**IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

### **TOXICOLOGICAL INFORMATION**

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsions may be required.

### **ENVIRONMENTAL HAZARDS**

Toxic to aquatic organisms.

DO NOT contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes. DO NOT discharge effluent containing this product or the biocide produced into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters unless the effluent has been detoxified by suitable means.

### **STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. If plastic do not reuse empty container. This product is corrosive to mild steel. Do not store or transport in unlined metal containers.

## **DISPOSAL**

Canadian formulators using this product should dispose of unwanted manufacturing concentrate and containers in accordance with municipal or provincial regulations. For additional details and the cleanup of spills, contact the provincial regulatory agency or the manufacturer.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of the product.
