DIRECTIONS FOR USE

To be used only in the manufacture of a pesticide which is registered under the **PEST CONTROL PRODUCTS ACT**.

PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL 1. Do not get into eyes. Causes substantial, but temporary eye injury. Protective eyewear should be worn when handling this product. 2. Harmful or fatal if swallowed. Do not get on skin, or on clothing. Use good personal hygiene, washing hands and exposed skin before eating, drinking, or smoking. No food, drink, or tobacco should be allowed in areas of chemical storage or use. 3. Do not contaminate any body of water.

TOXICOLOGICAL INFORMATION

NOTE TO PHYSICIAN: If ingested, induce emesis or lavage stomach. Treat symptomatically.

FIRST AID

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take the container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

STORAGE

Store in original container only, in a cool, dry, locked area. Store separately from other pesticides, fertilizers, food or feed to prevent contamination.

DISPOSAL

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the manufacturer or the provincial regulatory agency.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
