- [Just light it, forget it]
- [Kills mosquitoes quick, just light it, forget it]
- [Use on patios, porches, campsites and cabanas]

MGK Formula 3098 Mosquito Coils help to repel mosquitoes in outdoor areas where there is little or no breeze such as patios and porches. Do not use indoors.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. **DO NOT** place in direct contact with flammable surfaces. Avoid prolonged inhalation of smoke. Cover exposed food to avoid contamination. **DO NOT** touch lit end. Harmful if inhaled. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

DIRECTIONS FOR USE

FOR OUTDOOR USE TO REPEL MOSQUITOES

Each disc consists of two (2) coils that should be separated

1. Stand serves as a holder for the coil. Pull centerpiece to upright position.
2. Loosen outer rings until end moves freely.
3. Grasp each comma-shaped portion in the center between thumb and forefinger of each hand.
4. Separate the two comma-shaped coils by gently pressing them in opposite directions 5 mm apart.
5. Hold one comma shaped end and shake lightly or gently pry apart to separate the coils.
6. Insert tip of coil stand into slot in comma shaped end of coil.
7. Light outer end of coil until glowing.
8. Place one coil per 9 m² in area where mosquitoes are to be repelled.
9. Use in outdoor areas such as backyards, patio, decks, etc. which are sheltered from effects of wind and more easily protected by coils.
10. Do not use in windy areas.
11. Coil will burn for approximately 5 hours.

DO NOT apply to any body of water.

DO NOT contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes.

Avoid application of this product when winds are gusty.

Do not wet plants to the point of runoff or drip.

Blow out any flame. Do not touch glowing end.

Use Limitations

- FOR OUTDOOR USE ONLY. **DO NOT** use inside buildings or in enclosed spaces, including covered patios or tents.
- **DO NOT** place in direct contact with flammable surface.
- Cover all exposed foods to avoid contamination.
- **DO NOT** place in areas that are accessible to children.
- Only adults are permitted to replace the coil.

FIRST AID

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. **If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. **If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. **If in eyes:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treat symptomatically.

ENVIRONMENTAL PRECAUTIONS:

Toxic to aquatic organisms. Toxic to bees. Avoid application around blooming plants. If applications must be made during the blooming period, restrict applications to evening when most bees are not foraging. Toxic to beneficial arthropods (which may include predatory and parasitic insects, spiders, and mites). Minimize exposure to non-target areas.

STORAGE

Store in a cool, dry area. Always store pesticides in the original container. Store this product away from food or feed.

DISPOSAL:

DO NOT re-use empty container. Wrap empty wrapper in newspaper and dispose in household garbage.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.

EMERGENCY TELEPHONE NUMBER:

In case of Medical emergencies or health and safety inquiries, or in case of fire, leaking or damaged containers, information may be obtained by calling 1-888-740-8712.

[BACK CARTON]

MOSQUITO COIL BURNER (Metal or Terra Cotta)

Optional Pictograms (4 Pictograms showing how to use)

- Separating the coil
- Lighting the coil
- Place coil in burner
- Coil Working
