**FOR OUTDOOR USE:**

**FLYING INSECTS:** Flies, mosquitoes, hornets and wasps: Direct spray upward with slow sweeping motion, into areas where insects are present.

**PRECAUTIONS:**

**KEEP OUT OF REACH OF CHILDREN.** Harmful if swallowed or absorbed through skin. Contains petroleum distillate. Do not breathe vapours or spray mist. Avoid contact with skin or eyes. Wash hands with soap and warm water after use. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 50°C may cause bursting. Do not use this product in or on electrical equipment due to possibility of shock hazard. **TOXIC** to bees. This product is intended for use on yellow jackets, hornets and wasps only.

**FIRST AID:**

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically. Contains petroleum distillates. Vomiting may cause aspiration pneumonia.

**STORAGE:** Store in a cool dry area away from heat or open flame.

**DISPOSAL:** Do not use empty container. When container is empty, press button to release all pressure. Wrap container in several layers of newspaper and discard in household garbage. Do not puncture or incinerate.

**ENVIRONMENTAL HAZARD:** Toxic to aquatic organisms.
