DIRECTIONS FOR USE:

To be used only in the manufacture of a herbicide which is registered under the Pest Control Products Act.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

Harmful if inhaled.

Strictly observe all precautions for handling and using pesticides. Avoid contact with skin, eyes and clothing. Avoid inhalation of dust. Do not eat, drink or smoke while working.

Do not contaminate food, feed or water supplies.

DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

Protective Equipment:

Heavy duty cotton or synthetic fabric working clothes (e.g. coveralls). Rubber apron. Heavy-duty shoes or boots. Chemical resistant gloves. Goggles or face-shield. In case of heavy exposure wear: Dust mask.

During Work:

After contamination IMMEDIATELY wash skin with soap and water. Clean soiled clothing. After eye contact, flush eyes with clean water for several minutes and call a physician or contact a poison control centre IMMEDIATELY. Change contaminated clothing.

After Work:

Wash thoroughly (shower or bath, wash hair). Change clothing. Thoroughly clean protective gear. Thoroughly clean contaminated equipment with soap or soda solution.

FIRST AID:

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

ENVIRONMENTAL HAZARDS

Toxic to aquatic organisms.

TOXICOLOGICAL INFORMATION

There is no specific antidote. Treat symptomatically.

STORAGE

Store in original container in a well-ventilated, cool, dry and secure area. Ship and store away from food, feed or seed.

DISPOSAL AND DECONTAMINATION:

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the provincial regulatory agency or the Manufacturer.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offense under the PEST CONTROL PRODUCTS ACT to use this product in a way that is inconsistent with the directions on the label.
