## **PRECAUTIONS**

### **PREVENT ACCESS BY UNAUTHORIZED PERSONNEL**

Avoid contact with eyes, skin and clothing.

### **ENVIRONMENTAL PRECAUTIONS**

DO NOT contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes.

### **FIRST AID**

**Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.**

**If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

### **TOXICOLOGICAL INFORMATION**

No specific antidote. Employ supportive care. Treatment should be based on judgment of the physician in response to reactions of the patient.

### **STORAGE**

Keep in original container. To prevent contamination, store this product away from food and feed.

### **DISPOSAL**

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the manufacturer and the provincial regulatory agency.

### **DIRECTIONS FOR USE**

To be used only in the manufacture of an insecticide which is registered under the *Pest Control Products Act*. Formulations containing noviflumuron may require precautionary labelling differing from that given. Formulators should develop their own use and precautionary labelling based on the properties and intended uses of their own finished formulations and in accordance with all pertinent laws and regulations.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
