DIRECTIONS FOR USE: Poleci Technical Insecticide is registered only for formulation purposes by Sharda Cropchem Limited. It is to be used only in the manufacture of an insecticide which is registered under the *Pest Control Products Act*.

PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Fatal if swallowed. Harmful if inhaled. Avoid contact. Avoid breathing technical dust or fumes. Wash thoroughly after using and before eating or smoking. Wear protective clothing including goggles and respirator when handling technical material. Keep in original container during storage. Do not contaminate or store near feed, seed or foodstuffs. Keep away from fire, open flame or other sources of heat.

FIRST AID:

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take the container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: The treatment of intoxication should be symptomatic and supportive. If ingested, carry out gastric lavage with care to prevent aspiration.

ENVIRONMENTAL INFORMATION: TOXIC TO FISH AND AQUATIC ORGANISMS. Do not contaminate streams, lakes, rivers, ponds or water.

DISPOSAL: Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the manufacturer or the provincial regulatory agency.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
