DIRECTIONS FOR USE

To be used only in the manufacture of a plant growth regulator which is registered under the *Pest Control Products Act*.

LIMITATIONS

Do not apply directly as is to crops.

PRECAUTIONS

- PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.
- Harmful if swallowed.
- Do not inhale vapours.
- Avoid contact with eyes, skin and clothing.
- Wash well after handling and before eating, drinking and/or smoking.
- Wash contaminated clothing with soap and hot water before re-use. Do not wear contaminated shoes.

FIRST AID

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

Treat symptomatically.

STORAGE

- Keep in original container during storage.
- Store product in cool, dry, well ventilated place away from seed, fertilizer or other pesticides.
- Keep away from fire or open flame, or other sources of heat.
- Keep free of moisture in tightly sealed container.

DECONTAMINATION

For spills, wear appropriate safety equipment. Absorb spilled product with inert substance such as sawdust or sand. Wash spill area with a detergent solution. Do not contaminate irrigation water, lakes, streams or ponds by cleaning of equipment or disposal of wastes. If involved in fire, use water fog, foam CO₂ or a dry chemical extinguishing media. Noxious fumes may be produced under fire conditions; wear self-contained breathing apparatus. Prevent water used in fire fighting from entering public water supplies.

DISPOSAL

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the manufacturer or the provincial regulatory agency.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.
