Shoo! INSECT REPELLANT SPRAY—FAMILY & ACTIVE-USE PROTECTION – REFILL provides long-lasting, 12 hour effective protection from mosquitoes and ticks, and 10 hour protection from black flies. Not oily, greasy or sticky. Will not damage fishing lines, plastic or other synthetic materials. It smells great too.

DIRECTIONS FOR USE:

REFILL DIRECTIONS: (New Convenient Refill): This product is to be used only for refilling for empty containers of Shoo! Insect Repellent Spray – Family & Active-Use (Reg. No. 31245). Unscrew cap and carefully pour contents directly into empty trigger bottle. In order to minimize the potential for splash and spillage, the use of a funnel is recommended when transferring solution from one container to another.

PRECAUTIONS:

Supervise applications on children. Do not apply to the hands of smaller children. Do not use on infants under 6 months of age. Causes moderate eye irritation. Avoid contact with eyes, mouth, cuts, wounds or irritated skin.

Flammable, do not store near heat sources, sparks or open flame. Do not smoke while applying.

FIRST AID:

If in eyes: Hold eye open and rinse gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If swallowed: Call a physician or poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE: Store in a cool, dry place out of the reach of children. Keep away from heat, sparks and open flame.

DISPOSAL: Do not re-use empty container. Wrap and dispose of empty container with household garbage.
