DIRECTIONS FOR USE:

To be used only in the manufacture of a pesticide product which is registered under the *Pest Control Products Act*.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Danger Corrosive. Causes severe burns of eyes. Eye contact may cause loss of vision. May burn skin. Causes skin irritation. May be fatal if inhaled or swallowed. Do not get in eyes, on skin or on clothing. Do not breathe dust. Chemical worker's goggles must be worn when handling. Wear a long-sleeved shirt, long pants and shoes plus socks, chemical-resistant gloves, chemical-resistant apron and a full-face NIOSH approved respirator when handling. Use with adequate ventilation. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using bathroom or tobacco. Remove and wash contaminated clothing separately from other laundry before reuse.

FIRST AID:

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for further treatment advice.

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

Take the container, label, or product name and Pest Control Product Registration Number with you when seeing medical attention.

TOXICOLOGICAL INFORMATION:

Treat symptomatically.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or public waters. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority.

STORAGE:

Do not contaminate water, food, or feed by storage or disposal. Store away from heat and keep container closed when not in use.

DISPOSAL:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and cleanup of spills, contact the manufacturer or the provincial regulatory agency.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offense under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
