SC Johnson, A Family Company

DIRECTIONS FOR USE:

Use one (lantern) (lamp) (light) (device) (unit) per (3.05m x 3.05m area) (9.3 m² area).

For outdoor use only. Do not use in a tent or enclosed area. DO NOT contaminate aquatic habitats by disposal of waste.

Attention: (Repellent) (refill) (diffuser) surface is hot while burning, do not touch.

[These directions for use will be used when the product is sold as a Starter unit.]

(Lantern) (Lamp) (Light) (Device) (Unit) Set-up:

1. Lift the candle (holder) (caddy) (cradle) out of (lantern) (lamp) (light) (device) (unit) and place candle at the bottom before lighting (as shown).
2. Trim wick to 6mm (or less) (before each lighting.)
3. Light the candle while in the (holder) (caddy) (cradle) and lower back into (lantern) (lamp) (light) (device) (unit).
4. Remove repellent (refill) (diffuser) from package and place on top of (holder) (caddy) (cradle).
5. When finished using lift (holder) (caddy) (cradle) and snuff out the candle flame.

((Hand Wash Logo) Wash hands after handling ((treated)) (repellent) (refill) (diffuser) (housing) (surface)).

Candle and heat-activated (refill) (diffuser) will last 6 hours. (Repellent) (refill) (diffuser) will last as long as one candle. When the candle is used up replace both candle & (repellent) (refill) (diffuser) at the same time.

[Note: These directions will be used when product is sold as a Refill unit.]

To Refill (Lantern) (Lamp) (Light) (Device) (Unit):

1. Be sure flame is out and (lantern) (lamp) (light) (device) (unit) is cool before handling. Replace candle and (repellent) (refill) (diffuser) at the same time.
2. Burn only *OFF! Backyard Mosquito Lamp* Candles in *OFF! Backyard Mosquito Lamp* (holder) (caddy) (cradle). Use of any other candle may cause injury or property damage.
3. To effectively repel mosquitoes, be sure to use the *OFF! Backyard Mosquito Lamp* (repellent) (refill) (diffuser) together with the supplied *OFF! Backyard Mosquito Lamp* candle.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed or absorbed through the skin. Harmful if directly inhaled. Avoid contacting skin, eyes, or clothing with ((treated) (repellent) (refill) (diffuser)). Do not use indoors, in a tent, or enclosed area. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Use away from food, beverages and pet food. To prevent fire or injury, NEVER BURN CANDLE UNATTENDED. Never burn candle on or near anything that can catch fire. Place on a level stable surface. Trim wick to 6 mm or less before each lighting. Keep candle free of matches and all foreign material. Never touch or move unit while in use or until wax hardens.

Do not extinguish with water. Do not store near heat or open flame. Only adults are permitted to replace the (repellent) (refill) (diffuser).

ENVIRONMENTAL PRECAUTIONS: Toxic to aquatic organisms. Do not apply directly to water.

FIRST AID: If on skin or clothing: If treated ((repellent) (refill) (diffuser)) touches skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If directly inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Direct exposure to treated (repellent) (refill) (diffuser) may cause transient sensation (tingling/burning/itching, numbness). Treat symptomatically.

STORAGE: Store in original container in a cool, dry place in an area inaccessible to children and pets. To prevent contamination, store this product away from food or feed.

DISPOSAL: DO NOT reuse the empty containers. Dispose in household garbage. Unused or partially used products should be disposed at provincially or municipally designated hazardous waste disposal sites.
