PROXEL® is a registered trademark of Arch UK Biocides, Ltd.
MADE IN THE UK Rev. Date: 31Aug2011 Product Code: Page 2 of 3

For industrial use only as a preservative for latex, casein/rosin emulsions, emulsion paints, and metal working fluids.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Harmful or fatal if swallowed. May be fatal if inhaled. Potential skin sensitizer. Corrosive to eyes and skin. Causes marked eye and skin damage. Do not get in eyes, on skin, or on clothing. Wear a long-sleeved shirt, long pants, goggles or face shield and chemical resistant gloves when handling this product. Avoid contamination of food. Do not reuse container. Destroy when empty. Avoid inhaling sprays or dust.

DIRECTIONS FOR USE: It is recommended that compatibility be checked in individual formulations. PROXEL BD 20 MICROBIOSTAT DISPERSION should be added as early as possible in the process in order to protect the in-process material from microbial contamination. For latex emulsions applications, PROXEL BD 20 MICROBIOSTAT DISPERSION should not be added before polymerization. Applications sites and concentrations are:

AQUEOUS PRODUCT TO BE PROTECTED	SUGGESTED AMOUNT OF PROXEL BD 20 BASED ON TOTAL WEIGHT OF PRODUCT
LATEX EMULSIONS	0.017 – 0.42%
AQUEOUS BASED PAINTS	0.017 – 0.14%
METAL WORKING FLUIDS	0.0086 – 0.14%
AQUEOUS MINERAL SLURRIES	0.04 – 0.25%

FIRST AID:

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed. Treat symptomatically.

NOTICE TO USER: this pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

DISPOSAL:

1. Triple or pressure rinse the empty container . Add the rinsings to the treatment site.
2. Follow provincial instruction for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.

4. Dispose of the container in accordance with provincial requirements.
5. For information on the disposal of unused, unwanted product, contact the provincial regulatory agency or the manufacturer. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.
