**The secondary panel:**

**DIRECTIONS FOR USE:**

[Please refer to the instruction booklet that came with your device for specific features and directions.]

**To Use Mosquito Area Repellent**

1. Remove one mat from wrapper.
2. With Thermacell device off and completely cool, insert and center mat under grill.
3. Attach Thermacell device to the power source specified on the device directions.
4. Follow your device directions to activate mosquito repellent.

{If Butane is included}

**To Insert Butane Cartridge**

1. Remove the appliance cover. Remove the cap from the butane cartridge.
2. Screw the cartridge into the opening of the Thermacell appliance. Make sure canister is fully inserted by turning it until it stops. Do not over tighten.
3. Replace the appliance cover.

**To Turn On/ Off**

Refer to the appliance's packaging.

**To Replace Mosquito Area Repellent Mat**

Make sure device is off and cool; push used mat out by inserting a fresh one.

**PRECAUTIONS:**

KEEP OUT OF REACH OF CHILDREN AND PETS. May be fatal if inhaled. Avoid breathing vapours. For outdoor use only to kill and repel mosquitoes. Do not use indoors, in tents or any enclosed area. Do not touch the grill while the appliance is in use. The grill is hot while in use. Do not insert anything other than the mat into the appliance [grill]. Place appliance on a flat, stable surface with the grill facing upward. Do not cover with any material while in use. Clean with a damp cloth only when the device is cool and inactive. Store unused mats in the original packaging in a cool, dry place inaccessible to children and pets. Store appliance and butane cartridges in a cool, dry place away from sources of heat. Harmful or fatal if swallowed. May be harmful if absorbed through skin. Avoid contact with skin and clothing. Wash hands with soap and water after use. Cover exposed food.

Cartridge contains flammable butane. Do not use near sparks or open flame. Do not allow mat to come into contact with other substances. Cartridges contain pressurized butane. Protect the butane cartridges from sunlight. Do not expose them to temperatures above 50°C (120°F). Do not pierce, break or incinerate butane cartridges, even after use. Butane cartridges other than Thermacell® cartridges will not work in this appliance. Seller will not be held responsible for damage, injury or poor performance caused by use of other butane cartridges or repellent mats.

### **ENVIRONMENTAL PRECAUTIONS**

Toxic to aquatic organisms.

DO NOT contaminate irrigation or drinking water supplies or aquatic habitats by disposal of wastes.

#### **FIRST AID:**

If swallowed: call a poison control centre or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If Inhaled: move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If on skin or clothing: take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If in eyes hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

### **TOXICOLOGICAL INFORMATION:**

Treat symptomatically.

### **STORAGE:**

To prevent contamination, store this product away from food or feed.

### **DISPOSAL:**

DO NOT reuse empty packaging. Wrap the used mats and butane cartridges and dispose in household trash. DO NOT incinerate butane cartridges. Unused or partially used products should be disposed at provincially or municipally designated hazardous waste disposal sites. Damaged cartridges are to be returned to the distributor or manufacturer.

### **NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.
