DIRECTIONS FOR USE: To be used only in the manufacture of a herbicide which is registered under the *PEST CONTROL PRODUCTS ACT*.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL
MAY CAUSE IRRITATION TO EYES AND SKIN
MAY BE HARMFUL IF SWALLOWED
AVOID CONTACT WITH EYES, SKIN AND CLOTHING

When handling this product, wear coveralls over a long-sleeved shirt, long pants and chemical-resistant gloves.

ENVIRONMENTAL PRECAUTIONS:

Direct contamination of any body of water with this product may kill fish. Do not contaminate any body of water by direct application, cleaning of equipment or disposal of wastes.

FIRST AID

IF IN EYES, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING, take off contaminated clothing. Rinse skin immediately with plenty of water for 15 -20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF SWALLOWED, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

This product may cause mild irritation to the eyes. Overexposure to 2,4-D may cause coughing, burning, dizziness or temporary loss of muscle coordination. Other possible effects of overexposure include fatigue, muscle weakness or nausea. Treat symptomatically. No specific antidote. Employ supportive care. Treatment should be based on judgment of the physician in response to reactions of the patient.

DISPOSAL: Canadian manufacturers should dispose of unwanted active ingredient and containers in accordance with municipal and provincial regulations. For additional details and clean up of spills, contact the manufacturer and the provincial regulatory agency.

STORAGE:

Keep in original container during storage. Store in a cool, dry well ventilated place away from seed, feed, fertilizer or other pesticides. Do not contaminate water, food or feed by storage or disposal. Keep away from fire or open flame, or other source of heat.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offense under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
