DIRECTIONS: Shake well. Repels mosquitoes for 5 hours. Also repels black flies, biting midges, deer flies, stable flies, ticks, and chiggers. Apply sparingly not under clothing and only when necessary. Reapply after 5 hours if necessary. Spray clothing and exposed skin except face. **TO APPLY TO FACE:** Spray hands and apply avoiding eyes and mouth. Do not spray in enclosed spaces.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. . Contents under pressure. Do not place in hot water or near radiators, stoves or other sources of heat or store at temperatures over 50C. Do not spray near open flame or spark, or while smoking. Causes eye irritation. **DO NOT** get in eyes. Avoid contact with mouth. Avoid contact with plants, plastic and fabrics such

as rayon, dynel, and acetate. May damage furniture finishes, plastics, and painted surfaces. Keep away from open flame or spark. Do not use on children under 12 years of age. Do not contaminate food, utensils or any body of water.

FIRST AID: If irritation or other adverse effects develop, wash affected area with soap and water immediately. Seek medical attention if symptoms persist. If in eyes: hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If swallowed, Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL: When container is empty, press valve to release pressure. Do not puncture or incinerate. Wrap empty container and discard in household garbage.

Marketing Statements:

REVOLUTIONARY NEW EcoCan USES THE POWER OF AIR

The EcoCan delivers a quiet spray without using CFCs or hydrocarbon propellants.

SPRAYS IN ANY DIRECTION, EVEN UPSIDE DOWN

Unlike products that utilise the EcoCan, conventional aerosol products require that a percentage of propellant be included, the purpose of which is to expel the contents out of the can.

The EcoCan uses air pressure instead of propellant.

The EcoCan has a quiet, non chilling spray.

EcoCan - THE NEXT GENERATION IN SPRAY TECHNOLOGY

The EcoCan sprays this product as a clear solution that is non foamy, non greasy.

Eco Cans do not contain propellant .

Eco Cans do not need or use hydrocarbon propellant .

Eco Cans use newer technology .

Propellants no longer needed if you use the Eco Can.
