**DIRECTIONS FOR USE:**

The fabric in this garment has been treated with the active ingredient permethrin.

Permethrin repels Ticks and Mosquitoes

Permethrin in this garment is bound to the fabric and remains in effect for 70 washings.

No Fly Zone garments are registered, under the Pest Control Products Act, to be made from 100% nylon or 100% polyester or blended nylon/polyester fabrics.

The manufacturer of No Fly Zone garment products cannot guarantee complete protection from Tick and Mosquito bites.

No Fly Zone provides protection to areas of the body covered by the treated garments.

Additional protection from ticks can be obtained by tucking in clothing to prevent ticks from crawling under clothing (e.g., tucking pants into socks and shirts into pants) and applying a personal insect repellent to uncovered skin.

**DO NOT REMOVE INNER LINER**

**PRECAUTIONS:**

Wash separately from other laundry.

Wash this and other No Fly Zone treated garments together.

**DO NOT DRY CLEAN GARMENT.** Dry cleaning removes the active ingredient.

**DO NOT ADD OTHER PERMETHRIN INSECT REPELLENT PRODUCTS TO THIS GARMENT.**

**DO NOT** remove the woven tag.

**FIRST AID:**

Take label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:**

Treat symptomatically.

**DISPOSAL:**

Dispose of washed garments when worn out in household garbage. Do not reuse garments for purposes other than as apparel to repel Ticks and Mosquitoes.

*Apparel that repels Ticks and Mosquitoes*

No Fly Zone garments are made from 100% nylon fabric or 100% polyester fabric or blended nylon/polyester fabrics.

Active ingredient remains
