NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

FIRST AID

If swallowed, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15 - 20 minutes. Call a poison control centre or doctor for further treatment advice.

If inhaled, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first five minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

Treat symptomatically.

PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL

Warning - eye irritant. Avoid contact with eyes.

1. When handling the technical:

- a. Wear a long sleeved shirt and long pants, chemical-resistant gloves and eye protection.
- b. Wash splashes from skin and eyes immediately with plenty of water.

2. As with all agrochemical products:

- a. When using, do not eat, drink or smoke.
- b. Wash hands and exposed skin with soap and water thoroughly after handling.
- c. Wash out container thoroughly, empty washings into formulation tank and dispose of container safely. See DISPOSAL statement.

PHYSICAL AND CHEMICAL HAZARDS

2024-1378
2024-06-04

Solutions of this product should be mixed, stored and applied only in stainless steel, aluminum, fiberglass, plastic and plastic-lined steel containers.

DO NOT MIX, STORE, OR APPLY THIS PRODUCT OR SPRAY SOLUTIONS OF THIS PRODUCT IN GALVANIZED STEEL OR UNLINED STEEL (EXCEPT STAINLESS STEEL) CONTAINERS OR SPRAY TANKS. This product or spray solutions of this product react with such containers and tanks to produce hydrogen gas which may form a highly combustible gas mixture. This gas mixture could flash or explode, causing serious personal injury, if ignited by open flame, spark, welder's torch, lighted cigarette or other ignition source.

ENVIRONMENTAL HAZARDS

- **TOXIC** to non-target terrestrial plants
- **TOXIC** to aquatic organisms

STORAGE

Always store in the original container with top closed.
Avoid contamination of seed, feed and foodstuffs.
Heated storage is not required.

SPILL CLEANUP

Observe safety and protective measures as noted under HANDLING PRECAUTIONS.

Leaking containers should be separated from non-leakers and either the container or its contents transferred to a plastic-lined drum or other non-leaking container and disposed of according to label directions or in accordance with instructions provided under DISPOSAL. Sweep and shovel up spilled material and if useable, save in transfer container. If spilled on soil, shovel up and dispose of contaminated material and soil in a plastic-lined drum in accordance with instructions provided under DISPOSAL.

DISPOSAL AND DECONTAMINATION

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the manufacturer or the provincial regulatory agency.

FOR CHEMICAL EMERGENCY: spill, leak, fire, exposure, or accident CALL CHEMTREC AT 1-800-424-9300.

DIRECTIONS FOR USE

To be used only in the manufacture of herbicides registered under the *Pest Control Products Act*.
