## **DIRECTIONS FOR USE**

Antifungal Additive for Flexible Vinyl Products:

To be used where the finished product is exposed to conditions conducive to decay.

For protection of flexible vinyl products such as roof membranes, swimming pool liners, awnings, marine upholstery, interior wall covering, flooring, and shower curtains against microbial deterioration.

Use 2.0% to 5.0% of this product, based on the total weight of the plastic compound during the mixing step. Pre-blending into liquid plasticizers for easier mixing can be helpful. This treatment has been shown to be effective for a period of 24 months in well stabilized flexible PVC articles. The duration of protection is dependent upon exposure conditions and the flexible vinyl formulation. In order to determine the most effective use level for this product in a given use, trials are suggested within the label rates.

## **PRECAUTIONS**

**KEEP OUT OF REACH OF CHILDREN**

**CORROSIVE TO EYES AND CAUSES SKIN IRRITATION**

**HARMFUL IF INHALED**

**POTENTIAL SKIN SENSITIZER**

DO NOT get in eyes, on skin, or on clothing. Do not swallow. Avoid breathing vapours and spray mists. Wash skin thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

Wear coveralls over long sleeved shirt and long pants, chemical resistant gloves, socks, chemical resistant footwear and a full face NIOSH-approved respirator during mixing, loading, application, clean up and repair.

## **FIRST AID**

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

## **TOXICOLOGICAL INFORMATION**

Treat symptomatically. Possible mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock and convulsions may be necessary.

## **ENVIRONMENTAL HAZARDS**

Toxic to aquatic organisms. DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

**STORAGE**

This product is corrosive to mild steel. Do not store or transport in unlined metal containers. To prevent contamination, store this product away from food and feed.

**DISPOSAL**

1. Triple- or pressure-rinse the empty container. Add the rinsings to the treatment site.
2. Follow provincial instruction for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

**FOR RETURNABLE CONTAINERS**

Do not reuse this container for any purpose. For disposal, this empty container may be returned to the point of purchase (distributor/dealer).

For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for the clean-up of spills.

**NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
